Dear Lanny:

The enclosed check is the amount due for the Diesel Lubricity Project permit. The permit application was submitted to the City of Sacramento and the permit is ready to be picked-up. Steve asked that we send the check to you, and that you would then retrieve the permit as an owner/builder since we don't yet have a contractor. The Permit # is 0512171.

If you have any questions, please feel free to contact Dave Bynum or me at telephone 503-227-3317. Thank you for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "William Bishop". The signature is written in a cursive style with a large, prominent initial "W".
