City Council  
Sacramento, California

Honorable Members in Session:

**SUBJECT:** SACRAMENTO REGIONAL COUNTY SANITATION DISTRICT  
ECONOMIC DEVELOPMENT TREATMENT CAPACITY BANK SEWER  
CREDITS FOR MARRIOTT RESIDENCE INN.

**LOCATION AND COUNCIL DISTRICT:** District 1

**RECOMMENDATION:**

It is recommended that City Council approve a resolution awarding Sacramento Regional County Sanitation District (SRCSD) connection fee credits to the described business known as Marriott Residence Inn.

**CONTACT PERSONS:** Greg Schulte, Administrative Officer, 264-7116

**FOR COUNCIL MEETING OF:** December 16, 2003

**SUMMARY:**

The City of Sacramento's Economic Development Department recommends approval of the attached resolution awarding SRCSD sewer credits to the business known as Marriott Residence Inn located at 1501 "L" Street (APN: #006-0122-010) at the intersection of 15<sup>th</sup> and "L" Streets. This candidate for sewer credits meets Council-approved criteria for the granting of sewer credits by being in a redevelopment area, creating new employment, and being a catalyst project.

**BACKGROUND INFORMATION:**

On March 20, 2001, City Council authorized the City Manager to sign a Memorandum of Understanding (MOU) to initiate City participation in the Sacramento Regional County

*Building on Our History - Creating The Place to Be.*

Sanitation District Economic connection fee credits for award by the City. The MOU allocated a total of 7,971 Regional Sanitation sewer credits to the City of Sacramento for award by the City to qualifying development projects.

Approval of the MOU followed prior action by the City Council to approve Resolution No. 2000-539 on September 12, 2000, which established the guidelines and criteria by which credits would be granted. On July 18, 2002, Resolution 2002-498 amended those guidelines to read as follows:

- A. A prospective project must meet at least one of the following criteria:
  - 1. Projects in redevelopment, CDBG and/or infill development areas.
  - 2. Projects located in neighborhood commercial corridors identified in the adopted City Economic Development Strategy.
  - 3. Projects located at a targeted key development opportunity site identified in the adopted City Economic Development Strategy.
  - 4. Projects that create additional employment.
  - 5. Catalyst projects such as restaurants or high job creation projects that will further economic development.
  
- B. Projects falling under any of the following criteria may be disqualified from receiving credits from the Economic Development Treatment Capacity Bank:
  - 1. Projects where the applicant is changing locations within the City of Sacramento without creating any new job opportunities.
  - 2. Projects that will be owned and/or operated by a jurisdiction that is a member of the Economic Development Treatment Capacity Bank.
  - 3. Projects that are relocating from a neighboring jurisdiction that is a member of the Economic Development Treatment Capacity Bank.
  - 4. Projects that add more undesirable uses to an already saturated area (Undesirable uses defined in an Urban Master Plan, Streetscape plan or Special Planning District).
  
- A. Low to moderate housing located in one of the following geographical areas:
  - 1. Areas identified in the City's Infill Development Policy;
  - 2. Redevelopment or CDBG eligible areas;

3. Areas consistent with the City's mixed Income Housing Ordinance.

On November 21, 2003, the City received an application from the representative of Marriott Residence Inn requesting an award of 96.24 sewer credits to be used at 1501 "L" Street. Award of the requested 96.24 sewer credits will reduce total Regional Sanitation fees to be paid for this project from \$222,699 (at \$2,314 apiece) to approximately \$88,829 (at \$923 apiece).

Based upon a review of the application (Attachment 1), staff concludes that the applicant meets Council-approved objectives for the granting of sewer credits by being in a redevelopment area, creating new employment, and being a catalyst project.

The award of 96.24 sewer credits to Marriott Residence Inn will leave a total of 6,083.99 sewer credits for future award by the City to support economic development projects.

Attachment 2 provides a summary of City Economic Development Department sewer credit award activity to date.

**FINANCIAL CONSIDERATIONS:**

Approval of the resolution imposes no additional expense upon the City beyond the minimal administrative costs associated with processing the approved credits.

**ENVIRONMENTAL CONSIDERATIONS:**

This project is subject to the environmental review process as part of the approval of its development application.

**POLICY CONSIDERATIONS:**

The City of Sacramento views projects that create new employment opportunities as an important cornerstone of the City's economic development. Additionally, the City of Sacramento supports the development and success of new and existing businesses of all sizes. Approval of the subject recommendation serves to promote this City policy objective.

**ESBD CONSIDERATIONS:**

No goods or services are being purchased.

Respectfully submitted:

APPROVED:

  
KRISTAN OTTO  
Economic Development Manager

  
BETTY MASUOKA  
Assistant City Manager
