Honorable Mayor and
Members of the City Council

Title: Contract: South Natomas Community Center Concession (LW32, C13001200)

Location/Council District: 2921 Truxel Road, District 1

Recommendation: Adopt a **Resolution:** 1) approving the construction plans and specifications for the South Natomas Community Center Concession project; 2) awarding Melnikov Construction, the lowest responsive and responsible bidder, a construction contract for the South Natomas Community Center Concession project in an amount not to exceed \$99,900; and (3) authorizing the City Manager or the City Manager's designee to execute the contract specified above.

Presenter: Not applicable

Department: General Services

Division: Facilities & Real Property Management

Organization No: 3281

Description/Analysis:

Issue: This report recommends awarding a construction contract for the South Natomas Community Center Concession project. The project will provide a concession facility within the existing South Natomas Community Center. The formal bid process was completed on April 16, 2008, and Melnikov Construction was selected as the lowest responsive and responsible bidder.

Policy Considerations: This project was included in the 2006 Community Reinvestment Capital Improvement Program (CRCIP) approved by City Council on February 7, 2006. Award of the construction contract is consistent with the

directives and guidelines of the CRCIP. The recommendations in the report are consistent with the provisions of City Code Chapter 3.60.

Committee/Commission Action: Not applicable

Environmental Considerations: The recommendations in this report involve an administrative activity for a previously approved project. It is not considered a 'project' in accordance with Section 15378(b)(2) of the California Environmental Quality Act (CEQA) Guidelines. Therefore, as determined by the City's Environmental Services Planning Manager, no environmental review is necessary for the current recommendation. On May 5, 2000, City Council adopted Resolution No. 2000-319 ratifying the Negative Declaration for the South Natomas Community Center project.

Rationale for Recommendation: On March 14, 2008, the Department of General Services issued Invitation for Bid (IFB) No. B083282018 for a construction contract for the South Natomas Community Center Concession project. Seven bids were received. Melnikov Construction was selected as the lowest responsive and responsible bidder. Staff's estimated construction cost was \$100,000. Construction work is anticipated to begin during May 2008 and expected to be substantially complete by October 2008.

The results of IFB No. B083282018 are listed in the table below.

Company Name	Contract Amount	ESBE %
Melnikov Construction	\$99,900	98.3%
Treenhenge Construction*	\$104,000	Non-Responsive
Hometown Construction	\$121,000	71.4%
SLS Constructors	\$121,000	66.0%
Ivie Construction	\$124,000	61.7%
LG General Contractors	\$149,759	52.7%
American River	\$161,000	67.4%

*Treenhenge Construction was deemed non-responsive. Reasons for a non-responsive bid determination include one or more of the following:

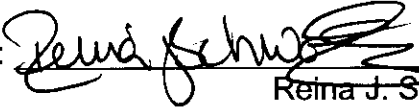

- Failed to meet ESBE goal
- Failed to submit and/or execute all required documents
- Failed to acknowledge addendum
- Failed to submit a complete bid guarantee
- Failed Minimum Qualifications Questionnaire
- Failed to provide an active contractor's license

- Failed to attend mandatory pre-bid meeting
- Bidder added language that changed the terms of the bid

Financial Considerations: On February 7, 2006, City Council approved the CRCIP, which included the South Natomas Community Center Concession project. Sufficient funding is available in the project (LW32, C13001200) to execute a contract with Melnikov Construction in an amount not to exceed \$99,900 for construction of the concession improvements.

Emerging Small Business Development (ESBD): Melnikov Construction has an emerging/small business enterprise percentage total of 98.3% for the South Natomas Community Center Concession project.
