Honorable Members in Session:

SUBJECT: Agreements with the County of Sacramento for the Sacramento
Metropolitan Arts Commission and Museum and History
Commission in Budget Support

SUMMARY

This report requests authorization to execute separate agreements with the County of Sacramento for their FY 1985-86 support of the Sacramento Metropolitan Arts Commission and Sacramento Museum and History Commission.

BACKGROUND INFORMATION

The Sacramento Metropolitan Arts Commission and Sacramento Museum and History Commission function as a joint City-County effort. Each year, the City and County approve these budgets appropriating funds in the City budget, 50% of which are to be reimbursed by the County of Sacramento. An agreement between the City and County for each Commission is necessary to facilitate this funding support.

The approved City 1985-86 fiscal year budget included County support of \$72,930 for the Metropolitan Arts Commission and \$150,275 for the Museum and History Commission. The agreements reflect these amounts.
