There was some discussion as to what should and should not be brought before this Committee. Assistant City Attorney Ted Kobey explained that this matter would go to full Council for its recommendation. Pope moved, Mueller seconded, and it was unanimously agreed to support SB 2545 relating to funding for emergency response to elder abuse. This matter will now go before the full Council.

There was some discussion as to how this bill relates to Leslie's bill from last year. Mel Johnson, Director of Public Works, said that Leslie's bill is in suspension at this time. Mr. Johnson also said that there is an attempt to merge the Garamendi and Leslie bills, but that this has not yet been done. Regarding the possible inclusion of immunities language proposed by the City earlier, Roberta Larson of Public Works stated that Senator Garamendi has not yet said whether he would include any of the suggested language, as he feels it might weaken the chances of the bill's passing. AYES: Mueller, Pope, Kastanis

MINUTES:

Reggie Young, Deputy Director of Public Works, was present to discuss this bill. He explained that amendments have made this bill preemptive of existing local ordinances, including ours. Chairman Kastanis asked if this bill was the State legislation that had been anticipated to strengthen vicious dog regulation. Deputy City Attorney Balter said that it was the one, but that it has been amended a great deal and is now not acceptable. She explained that the definitions in the Torres bill are weaker than ours, and that a dog must commit more undesirable behaviors to be classed as "vicious". Mueller moved, Pope seconded, and it was unanimously agreed to oppose SB 1741 relating to vicious dogs.

ABSENT: Shore

MINUTES:

Deputy City Attorney Diane Balter presented this proposed ordinance. She explained that this will be much more limited. Gary Van Dorst from the Local Conservation Corps showed a sample container being used for salvageable materials pickup, but explained that much of the solid waste that is recycled, such as newspapers, is not in bags, so this ordinance would still allow some things to be pilfered. He thinks all communities have some kind of anti-scavenger laws. Pope moved, Mueller seconded, and it was unanimously agreed to support the ordinance adding Section 19.112 to the Sacramento City Code prohibiting unauthorized removal of salvageable materials. This will be forwarded to full Council.
