### MEMORANDUM

TO: CITIZENS ASSISTANCE OFFICER

FROM: ANNE MASON, DEPUTY CITY CLERK

SUBJECT: REFERRAL OF ITEM 51A, COUNCIL AGENDA OF JUNE 10, 1980

DATE: JUNE 11, 1980

Pursuant to Council action, the following matter is referred to you for attention:

Lonnie Landrum of 325 Barrette Avenue, Sacramento, 95815, appeared before City Council re to a formal complaint which he filed on June 2, 1980 against the Building Inspection Department concerning conditions that exist in the apartment complex he resides in relative to the electrical, plumbing and lack of security (window locks, etc.).

The Building Inspector's Department told him he should go find another place to live. He is unable to obtain any satisfaction from the landlord as far as any improvements are concerned. There is also dry rot on the stairs and there are no safety strips on stairs.

He would like someone from the City government to come out and personally view the conditions and make recommendations for immediate improvements.
