Transportation and Community Development Committee
Sacramento, California

Honorable Members in Session:

SUBJECT: Federal Emergency Management Agency Presentation Regarding New
Sacramento Area Flood Maps

SUMMARY

Officials from the Federal Emergency Management Agency (FEMA) and the Army Corps of Engineers will attend the January 3, 1988 joint committee meeting. FEMA will make a presentation regarding the new floodplain maps and the process used in redrawing the flood zones. They will also discuss the federal waiver legislation and their interpretation of its provisions.

Representatives from the Corps will review the proposed short and long term solutions to specific flood problems and outline the next steps in the process toward obtaining a federal flood control project. Both FEMA and the Corps will respond to questions from Committee members.

RECOMMENDATION

This report is presented for Committee information

Respectfully submitted,

MELVIN H. JOHNSON
Director of Public Works
