(NEW CONSTRUCTION)
AGREEMENT REGARDING THE RISK
OF FLOODING ON THE PROPERTY

RECITALS

A. The undersigned are the record owners of the real property located at Stillwater or as described in Exhibit "A" attached (the "Property").

B. The undersigned expressly acknowledge that the Property may be subject to flooding hazards due to its location in a 100-year floodplain, as described in the Flood Insurance Rate Map dated November 15, 1989, ("FIRM"), prepared by the Federal Emergency Management Agency ("FEMA").

C. The undersigned acknowledge that they have read the Notice to Building Permit Applicants Regarding the Risk of Flooding attached as Exhibit "B."

D. Despite the potential for flood damage, the undersigned intend that the new construction ("New Construction") be placed on the Property which will not be at least one foot above the 100-year floodplain elevation levels identified in the Preliminary Work Map dated January, 1989, prepared by the U.S. Army Corps of Engineers.

E. The undersigned acknowledge that the City of Sacramento (the "City") recommends obtaining flood insurance for the New Construction.

AGREEMENT

In consideration of the issuance of a building permit for the New Construction, the undersigned agree as follows:

1. Flood-Related Property Damage. For purposes of this Agreement, the term "flood-related property damage" shall mean any property damage due to flooding resulting from an overtopping out of the channels of the Sacramento River, American River, Dry Creek, Arcade Creek or Morrison Creek levee systems or a break in those levee systems.

2. Assumption of Risk. The undersigned expressly assume the risk that the New Construction may be subject to flood-related property damage.

3. Waiver of Property Damage Claims. The undersigned unconditionally waive any flood-related property damage claim asserting liability on the part of the City, or its officers, agents or employees premised on the issuance of a permit for the New

Construction, whether or not the issuance of this permit is due to the negligence of the City or its officers, agents or employees.

4. Notice. In the event the undersigned sell the New Construction or grant a possessory interest in the New Construction of more than three years' duration, the undersigned expressly agree to include the following provisions in the purchase agreement or lease:

[Transferee/Lessee] expressly acknowledges and assumes the risk that the Property may be subject to flooding due to their location in a 100-year floodplain.

[Transferee/Lessee] unconditionally waives any flood-related property damage claim asserting liability on the part of the City of Sacramento or its officers, agents or employees premised on the issuance of a permit for any new construction on the Property, whether or not the issuance of this permit is due to the negligence of the City or its officers, agents or employees.

5. Indemnification. In the event the undersigned sell the Property or transfer a possessory interest of more than three years' duration in the New Construction within three years of the execution date of this Agreement, the undersigned agree to indemnify the City and its officers, employees and agents from and against all flood-related property damage claims premised on the issuance of a building permit for the New Construction.

The undersigned intend that the City be indemnified to the fullest extent permitted by law and, specifically, that any negligence on the part of the City shall not bar indemnity, unless such negligence is found to have been the sole cause of the damage.

The term "claims," as used in this paragraph, includes all direct or class actions or subrogation or inverse condemnation lawsuits brought by any person, entity or governmental agency in connection with the City's issuance of a building permit for the Improvements.

6. Release From Indemnification. The undersigned shall be released from any obligation to indemnify the City as set forth in Paragraph 5 of this Agreement if, at such time as the City seeks to enforce the provisions of Paragraph 5, the undersigned demonstrate that they have fully complied with the provisions of Paragraph 4 of this Agreement.

7. Severability. The undersigned expressly intend that, if any provision of this Agreement is held by a court of competent jurisdiction to be void or unenforceable, the remaining provisions shall not be affected and shall remain in full force and effect.

8. Attorney's Fees. The undersigned agree that, if any legal action is brought to enforce the provisions of this Agreement, the prevailing party shall be entitled to recover reasonable attorney's fees and costs from the nonprevailing party.

9. Succession. The undersigned expressly intend that the obligations contained herein shall run with the Property and shall bind their respective heirs, assignees and successors in interest.

10. Termination. All of the obligations set forth in this Agreement shall terminate at such time as FEMA determines that the area in which the Property is located has attained at least 100-year flood protection.
