Highways Code, and is hereby approved. The City Clerk is directed to file a copy of the Boundary Map with the County Recorder of the County of Sacramento within fifteen (15) days hereafter, and in no event later than fifteen (15) days prior to the hearing, for placement in the Book of Maps of Assessment and Community Facilities Districts, in accordance with the provisions of Section 3111 of the Streets and Highways Code of the State of California.

Section 3. The name of the proposed annexation to the District is "Willowcreek Landscaping Community Facilities District No. 98-04, Annexation No. 1".

Section 4. The District was formed solely for maintenance services and related purposes, and will not finance capital improvements or issue bonds. The services to be financed by the District are set forth in Exhibit A, attached hereto and incorporated herein by this reference, all of which are as authorized by the Act and by Title 3, Chapter 3.124 of the Sacramento City Code. The District shall also finance all costs and expenses normally incidental to the provision of the maintenance and related services, including without limitation election costs; design fees and costs; contract supervision; and City administrative and legal costs.

Section 5. Except where funds are otherwise available, a special tax sufficient to pay for said parks maintenance and related services, secured by recordation of a continuing lien against all nonexempt real property in the District, will be levied annually within the District. Pursuant to Title 3, Chapter 3.124 of the Sacramento City Code, certain City-owned property within the District will be subjected to the lien for the special tax. The tax is to be collected as a separately-stated item on the county property tax bill, but the City Council reserves the right to change the method of collection at any time. The special tax shall be apportioned according to the use and state of development of the land, at the per annum tax rates specified in Exhibit B, attached hereto and incorporated herein by this reference, the Rate and Method of Apportionment of Special Tax and the maximum special tax rate. The rates shown are maximum rates. The special tax levied on all parcels may be increased prorata, but not more than ten percent (10%), on account of the default or delinquency of the owner of any parcel. The rates may also be escalated for inflation pursuant to Title 3, Chapter 3.124 of the Sacramento City Code, as specified in Exhibit B. If tax collections at the stated rates exceed the amount required to pay the Annual Costs, the rates may be reduced in accordance with the formulae set forth in Exhibit B. The special tax levied and to be collected hereunder shall be in perpetuity, unless and until the need for the parks maintenance and related services no longer exists.

Section 6. It is the intention of the Council, pursuant to Section 53317.3 of the Act, to continue to levy the special tax on property (that is not otherwise exempt from the special tax) that is acquired by a public entity through a negotiated transaction, by gift or devise.

Section 7. It is the intention of the Council, pursuant to Section 53317.5 of the Act, to treat the obligation to pay the special tax levied against property that is acquired by a public entity through eminent domain proceedings as if it were a special annual assessment.
