CONSENT
September 13, 2005

Honorable Mayor and
Members of the City Council

Subject: Contract: Base Repair by Cold Planing at Various Locations

Location/Council District: Citywide

Recommendation:

Adopt a Resolution: 1) Approving the plans and specifications, 2) Accepting the bid of Anrak Corporation in the amount of \$439 per hour and 3) Authorizing the City Manager to execute a contract for Base Repair by Cold Planing at Various Locations, that is renewable annually, up to five years, in an amount not to exceed \$150,000 for each annual period.

Contact: Jim Vietheer, General Supervisor, (916) 808-2287; Jerry Way, Street Services Manager, (916) 808-6381

Presenters: none

Department: Department of Transportation

Division: Street Services

Organization No: 3492

Summary:

The Street Services Division of the Department of Transportation has had an informal contract for cold planing for several years. Over the past year there has been an increased need for this service. A formal competitive bidding process was used to solicit contractors for this service in an amount not to exceed \$150,000 annually. Staff recommends awarding to Anrak, the lowest, responsive bidder.

Committee/Commission Action: None

Background Information:

- This contract provides equipment and labor for base repair by cold planing, an important step in the preparation of streets for the annual resurfacing program.
- The Street Services Division of the Department of Transportation has had an informal contract for cold planing in an annual amount of \$87,800 for several years. The amount of work required has continually increased to the point where a significant increase in contract amount is necessary.
- The Street Services budget now annually allocates \$150,000 for the delivery of base repair by cold planing.
- This project was formally advertised and bids as summarized below were received on August 17, 2005. The total bid amount is based on 330 hours of work plus replacement pieces for equipment.

<u>Contractor</u>	<u>Amount per Hour plus replacements (each)</u>	<u>E / SBD</u>
Anrak Corporation	\$439	City-certified SBE
<i>No other bids received</i>		

- The proposed contract is not to exceed an annual amount of \$150,000 over the term of the contract.
- Approval of the plans and specifications and award to Anrak Corporation is recommended as the lowest responsive bidder. Although there was only one bid, the bid amount is considered by staff to be reasonable.

Financial Considerations:

There are sufficient funds in the FY 05/06 Department of Transportation, Street Services operating budget (Org. 3492) for this contract. Identical funds will be allocated annually for the duration of the contract, which may be extended until August 30, 2010.

Environmental Considerations:

The current project has been determined to be exempt from the California Environmental Quality Act (CEQA) under section 15301 (c) which states that repair and maintenance of existing highways and streets involving negligible or no expansion of existing use is exempt.

Policy Considerations:

The recommendations in this report are consistent with the City's Strategic Plan goals to enhance and preserve the neighborhoods and to establish and strengthen community and regional partnerships to enhance the quality of life. Equal Benefits Ordinance (EBO)

is applicable for this contract and a Declaration of Compliance was signed by the bidder.

Emerging Small Business Development (ESBD):

Anrak Corporation is a certified SBE (Small Business Enterprise) with the City of Sacramento.

Respectfully Submitted by:  _____
Jerry Way
Street Services Manager

RESOLUTION NO.

Adopted by the Sacramento City Council

APPROVING A CONTRACT WITH ANRAK CORPORATION FOR BASE REPAIR BY COLD PLANING AT VARIOUS LOCATIONS

BACKGROUND

- A. This contract provides equipment and labor for base repair by cold planing, an important step in the preparation of streets for the annual resurfacing program.
- B. The Street Services Division of the Department of Transportation has had an informal contract for cold planing in an annual amount of \$87,800 for several years. The amount of work required has continually increased to the point where a significant increase in contract amount is necessary.
- C. This project was formally advertised and bids as summarized below were received on August 17, 2005. The total bid amount is based on 330 hours of work plus replacement pieces for equipment.

<u>Contractor</u>	<u>Amount per Hour plus replacements (each)</u>	<u>E / SBD</u>
Anrak Corporation	\$439	City-certified SBE
<i>No other bids received</i>		

- D. Approval of the plans and specifications and award to Anrak Corporation is recommended as the lowest responsive bidder. Although there was only one bid, the bid amount is considered by staff to be reasonable.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The plans and specifications are approved.
- Section 2. The bid of Anrak Corporation in the amount of \$439 per hour is accepted
- Section 3. The City Manager is authorized to execute a contract that is renewable annually, up to five years, with Anrak Corporation in an amount not to exceed \$150,000 for each annual period.
