Subject: #2- City Owned Parcels - 2 acres or more

This is Email #2 that I am sending you regarding your request. This list includes city owned properties that are two acres or more without a building on it. Please let me know if you have any questions.

Per our discussion last week, I have attached a list of City owned properties. There are approximately 1,939 parcels on the file. In addition, I will forward to you a list of vacant parcels that are 2 acres or larger and owned by the City. Please let me know if you have any questions.

**Public Comment for May 11, 2010 City Council, Financing Authority,
Housing Authority, Redevelopment Agency Meeting**

Prepared by the Office of the City Clerk- (916) 808-7200 @ 5:00 p.m. on 5/11/2010

Item	Name	N.Hood	Position	Comment
5. (Redevelopment Agency) Creation of the 700/800 Blocks of K and L Streets Project Ad Hoc Committee	Kay Kneprath	-	Neutral	The 700 - 800 K Ad Hoc Committee meetings must be public meetings. The public has been involved from the beginning? until recently. Responding to Mayor Fargo's request? I organized the Citizens' Historic Preservation Committee which made a detailed recommendation to Council. Our report was supported by the Sacramento Old City Assn. and several neighborhood associations. We oppose any of the RFPs that would demolish any of the historic resources. Respectfully? Kay Kneprath
