Honorable Members in Session

SUBJECT: REQUEST FOR RESOLUTION APPROVING EMPLOYMENT CONTRACT WITH ELIZABETH GIBSON, ENTITLED RESOLUTION BETWEEN CITY OF SACRAMENTO AND ELIZABETH GIBSON FOR SERVICES TO BE RENDERED TO THE MOUNTAIN-VALLEY LIBRARY SYSTEM

SUMMARY

The City-County Librarian requests approval by the City Council of the execution of employment agreement between the City of Sacramento acting on behalf of the Mountain-Valley Library System, and Elizabeth Gibson, Systems Analyst. City Council action is required to make these agreements binding.

BACKGROUND INFORMATION

The Mountain-Valley Library System is a consortium of independent city, county, college, university and special libraries who have joined to form a cooperative network, providing interlibrary loans, reference back-up and delivery service for a nine-county area in the state of California.

The agreement has been reviewed and approved by the Executive Council of the Mountain-Valley Library System and does not reflect an increase in the size of the regular Mountain-Valley Library System staff; this position is for a specified term. Elizabeth Gibson will fill the position of Systems Analyst created for a specific project covering a specified amount of time.

FINANCIAL DATA

The City of Sacramento, as fiscal agent for the Mountain-Valley Library System, administers funds received pursuant to standard agreements between the State Department of Education, the State Library and the City of Sacramento. There is no obligation on the part of the City of Sacramento to continue personnel employed with project funds after these funds have been expended. MVLS employees are not in any jurisdiction's civil service system. As the contract stipulates, the employees are not employees of either the City of Sacramento or the individual participating libraries in the cooperative library system.

Also as stipulated in the contract, the System, from System funds granted under Library Services and Construction Act Grant No. 40-0241 for this special project, pays social security, workers' compensation and medical and dental benefits. No retirement benefit is offered to MVLS employees, other than Social Security. No city funds are used for any payment to any MVLS employee. The MVLS pays the entire cost from its funds. The System also pays a fiscal agent fee to the City to enable the City to recover the costs of expending MVLS funds.

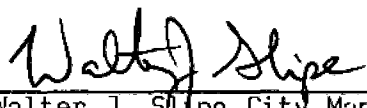

RECOMMENDATION:

It is therefore recommended that your Council approve the attached resolution authorizing the execution of the agreement between the City of Sacramento, acting on behalf of the Mountain-Valley Library System, and Elizabeth Gibson for the provision of Systems Analyst services to the Mountain-Valley Library System.

Respectfully submitted,
