URGING KOVR CHANNEL 13 TO MOVE  
THE JERRY SPRINGER SHOW TO ANOTHER TIME SLOT

**WHEREAS**, the Jerry Springer Show is an hour-long program which airs at 4:00 p.m. on week days; and

**WHEREAS**, the Jerry Springer Show incites participants to engage in violent acts; and

**WHEREAS**, we are living in a society where many children have no parental supervision until early evening; and

**WHEREAS**, the Mayor and City Council are very concerned about the number of children watching the Jerry Springer Show at 4:00 p.m., and referring to hitting others as "Springering"; and

**WHEREAS**, the Mayor and City Council believe strongly in the need for more enriching after school opportunities for children in Sacramento; and

**WHEREAS**, we fully respect and recognize the right of KOVR Channel 13 to show its programs at any time it chooses; and

**WHEREAS**, all segments of society have the obligation to act responsibly in not promoting or encouraging violent, anti-social behavior, especially among children.

**NOW, THEREFORE BE IT RESOLVED**, by the Mayor and Council of the City of Sacramento that KOVR Channel 13 is urged to consider moving the Jerry Springer Show to a late evening time slot.
