City Council  
Sacramento, California

Honorable Members in Session:

**SUBJECT: RESOLUTION MODIFYING PARKING REGULATIONS ON A PORTION OF 47<sup>TH</sup>  
STREET IN THE SUTTER HOSPITAL RESIDENTIAL PERMIT PARKING AREA.**

**LOCATION AND COUNCIL DISTRICT:**

47<sup>th</sup> Street from H to F Streets. Council District 3

**RECOMMENDATION:**

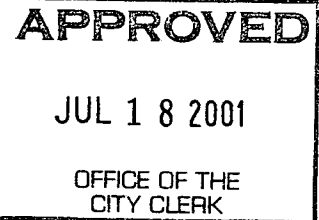

This report recommends that the City Council adopt the attached resolution modifying parking regulations on 47<sup>th</sup> Street between H and F Streets from two-hour parking Monday through Friday except with "A" permit to one-hour parking Monday through Saturday except with "A" permit.

**CONTACT PERSON:** Michael J. Melvin, Administrative Services Officer, 264-7475

**FOR COUNCIL MEETING OF:** July 18, 2001

**SUMMARY:**

This report recommends modifying the parking regulations on a portion of 47<sup>th</sup> Street. Modifying the parking regulations from two-hour parking Monday through Friday except with "A" permit to one-hour parking Monday through Saturday except with "A" permit will relieve the parking congestion and provide residents with parking near their homes while maintaining short term parking from area businesses.

City Council  
Resolution Modifying Parking Regulations  
On A Portion of 47<sup>th</sup> Street In The Sutter  
Hospital Residential Permit Parking Area  
June 20, 2001

**COMMITTEE/COMMISSION ACTION:**

None.

**BACKGROUND INFORMATION:**

- Two nearby businesses have generated additional parking congestion in the residential neighborhood making it difficult for resident to park near their homes.
- Residents submitted a petition requesting that parking be limited to residents only.
- While resident only parking would provide additional parking for residents, it would create a hardship for the nearby businesses by reducing the amount of short-term customer parking.
- A comprise solution was to reduce the parking time limit to one-hour. This would protect the residential neighborhood from long-term parking and provide the businesses with short-term customer parking.
- There is adequate employee parking adjacent to the businesses.

**FINANCIAL CONSIDERATIONS:**

The cost to implement the recommended parking modification is \$200 for the modification of the existing signs. Funds are available in the On-Street Parking & Animal care services operating budget.

**ENVIRONMENTAL CONSIDERATIONS:**

The Planning Services Division, Environmental Section, has review the project and has determined that this project is exempt from the California Environmental Quality Act (CEQA) under section 15301 (c) of the CEQA guidelines.
