TO: Members, Board of Supervisors

FROM: Bill Bryan, Chairperson ^{WB}
Joint Cable TV Sub-Committee

SUBJECT: OFF AGENDA ITEM, TUESDAY, AUGUST 31, 1982

On August 25th the Joint Cable TV Sub-Committee had its initial meeting and recommended the selection of Bob Smith for our chief staff position. Lee Elam will be generating the paperwork to cover the actual method of staffing for this Committee. It's anticipated that this staffing will then be assumed by the Cable Commission when it is formed. I would appreciate it if the Council and Board of Supervisors would ratify the selection of Robert Smith in advance of the final procedural details so that we can authorize his travel expenses to visit other cable regulators. It is important that he make this trip as soon as possible so that he can prepare a preliminary plan in time for the Committee's October 6th meeting.
