

# RESOLUTION NO. ~~92-922~~

ADOPTED BY THE SACRAMENTO CITY COUNCIL

ON DATE OF DEC 15 1992

RESOLUTION DETERMINING ASSESSMENTS REMAINING UNPAID

LONGSHORE COURT SEWER ASSESSMENT DISTRICT NO. 92-02

The City Council of the City of Sacramento resolves:

The City Treasurer has filed a list of all payments received on account of assessments levied in Longshore Court Sewer Assessment District No. 92-02, City of Sacramento, Sacramento County, California, and a list of all assessments or portions of assessments unpaid after thirty (30) days following the recordation of the assessments.

A copy of the Paid and Unpaid List is attached to this resolution as Exhibit A and included in it. The City Council shall issue improvement bonds under the provisions of the Improvement Bond Act of 1915 of the State of California upon the security of the assessments shown as unpaid on the attached list.

The City Clerk shall transmit a copy of this resolution to the County Auditor. The County Auditor is requested to comply with the provisions of Section 8682 of the Streets and Highways Code in the collection of installments of these assessments on the assessment roll for taxes.

In the event that the amount provided for in said proceedings is insufficient to pay various costs and expenses incurred from time to time by the City and not otherwise reimbursed to the City which result from the administration and collection of assessment installments or from the administration or registration of the improvement bonds and the various funds and accounts pertaining thereto, this Council will, pursuant to Section 8682.1 and subparagraph (f) of Section 10204 of the California Streets and Highways Code, provide for the levy of an annual assessment upon each of the parcels of land in the proposed assessment district to provide therefor. The City Council finds that the maximum amount of such annual assessment for the entire assessment district is \$1,300.00 and that this annual assessment will not exceed the reasonable estimate of administrative costs likely to be incurred.
