

RESOLUTION NO. 2009-071

Adopted by the Sacramento City Council

February 10, 2009

GREEN APARTMENTS PARTNERSHIP

BACKGROUND

- A. The State of California has a mandate to recycle 50% of the total waste generated by local agencies.
- B. The City of Sacramento currently recycles 52% of the total amount of waste generated in the City.
- C. Recycling by apartment residents will contribute towards meeting the state mandate.
- D. The Green Apartments Partnership Board Articles of Organization are consistent with Solid Waste Services program to provide recycling containers to one-hundred percent of the apartment buildings serviced by Solid Waste Services.
- E. Multi-family rental housing recycling programs will help reduce the disposal cost of solid waste and thereby help to stabilize solid waste rates to City customers.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The Department of Utilities' Director or designee is authorized to represent the City on the Green Apartments Partnership Board.

Adopted by the City of Sacramento City Council on February 10, 2009 by the following vote:
