

## RESOLUTION NO. 2006-314

Adopted by the Sacramento City Council

May 9, 2006

### ESTABLISH CAPITAL IMPROVEMENT PROJECT FOR ARDEN WAY STREETScape IMPROVEMENTS

#### BACKGROUND

- A. In the 03/04 fiscal year \$180,000 was dedicated to the 16<sup>th</sup> Street Streetscape Master Plan project (PN:TY36).
- B. Due to the number of active streetscape master plans, the related staffing requirements, and the ongoing improvements and planning projects along 16<sup>th</sup> Street from other funding sources, such as the State of California's East End and CADA's East End Gateway, the 16<sup>th</sup> Street Streetscape plan has not yet commenced.
- C. There has been an effort to design and construct artwork and streetscape improvements along Arden Way between Capital City Freeway and Ethan Way.
- D. In working with the property owners, an opportunity exists to complete these improvements through a private/public partnership effort.
- E. In order to implement these improvements, engineering plans for the artwork and a streetscape plan need to be completed.

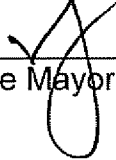

#### BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

1. Establish Capital Improvement Project for Arden Way Streetscape Improvements (PN: TH06).
2. Transfer funding in the amount of \$174,574 from the 16<sup>th</sup> Street Streetscape Master Plan Project (PN: TY36) to the Arden Way Streetscape Improvements Project (PN: TH06).
3. Cancel the 16<sup>th</sup> Street Streetscape Master Plan Project (PN: TY36).
