ECONOMIC DEVELOPMENT DEPARTMENT

CITY OF SACRAMENTO

October 5, 2001

City Council  
Sacramento, California

Honorable Members in Session:

**SUBJECT:** SACRAMENTO REGIONAL COUNTY SANITATION DISTRICT  
ECONOMIC DEVELOPMENT TREATMENT CAPACITY BANK SEWER  
CREDITS FOR CANDY EXPRESS.

**LOCATION AND COUNCIL DISTRICT:** District 1

**RECOMMENDATION:**

It is recommended that City Council approve a resolution awarding Sacramento Regional County Sanitation District (SRCS D) connection fee credits to the described restaurant, candy store known as Candy Express.

**CONTACT PERSONS:** Kristan Otto, Economic Development Manager, 264-7948

**FOR COUNCIL MEETING OF:** October 16, 2001

**SUMMARY:**

The City of Sacramento's Economic Development Department recommends approval of the attached resolution awarding SRCS D sewer credits to retail store to be known as Candy Express and located at 414 K Street (APN: 006-0087-046) as depicted on the map herein (Attachment 1). This candidate for sewer credits meet Council-approved criteria for the granting of sewer credits including location in a designated redevelopment area, catalyst project development, and job creation.

## **BACKGROUND INFORMATION:**

On March 20, 2001, City Council authorized the City Manager to sign a Memorandum of Understanding (MOU) to initiate City participation in the Sacramento Regional County Sanitation District Economic connection fee credits for award by the City. The MOU allocated a total of 7,971 Regional Sanitation sewer credits to the City of Sacramento for award by the City to qualifying development projects.

Approval of the MOU followed prior action by the City Council to approve Resolution No. 2000-539, which sets aside 85 percent of the City's sewer credit allocation, or 6,775 sewer credits, for award to economic development projects and established the following guidelines for award of City sewer credits:

### **A. General Guidelines**

1. Projects located in redevelopment, CDBG, and/or infill development areas;
2. Projects that create additional employment;
3. Catalyst projects such as restaurants or high job creations projects that will further economic development efforts;
4. Credits may not be used as a means of attracting business from a neighboring jurisdiction that is a member of the Economic Development Treatment Capacity bank.

### **B. Commercial and Industrial projects located in one of the following geographic areas:**

1. Neighborhood commercial corridors identified in the adopted City Economic Development Strategy;
2. Targeted key development opportunity sites identified in the adopted City Economic Development Strategy;
3. Redevelopment of CDBG eligible areas.

### **C. Low to moderate housing located in one of the following geographical areas:**

1. Areas identified in the City's Infill Development Policy;
2. Redevelopment or CDBG eligible areas;
3. Areas consistent with the City's mixed Income Housing Ordinance.

On September 27, 2001, the City received an application from Candy Express requesting award of 8.79 sewer credits to be used for a restaurant/retail outlet located at 414 K Street Downtown Sacramento. Award of the requested 8.79 sewer credits will reduce total Regional Sanitation fees to be paid for this project from \$30,765 (at \$3,500 apiece) to approximately \$8,113 (at \$923 apiece).

Based upon a review of the application (Attachment 2), staff concludes that the applicant meets Council-approved objectives for the granting of sewer credits including location in a designated redevelopment area, catalyst project development, and job creation. Staff therefore recommends this project for award of sewer credits by City Council.

Award of a combined 8.79 sewer credits to Embassy Suites Hotel will leave a total of 6,639.66 sewer credits for future award by the City to support economic development projects.

Staff is currently undertaking a new effort to market the ED Treatment Capacity Bank Sewer Credit Program through the established business associations and PBIDs on the 19 designated neighborhood corridors. Information on the program will be available in the offices of the business associations/PBIDs and these business groups will refer potential applicants to the Economic Development Department.

Attachment 3 provides a summary of City Economic Development Department sewer credit award activity to date.

**FINANCIAL CONSIDERATIONS:**

Approval of the resolution imposes no additional expense upon the City beyond the very minimal administrative costs associated with processing the approved credits.

**ENVIRONMENTAL CONSIDERATIONS:**

This project is subject to the environmental review process as part of approval of its development application.

**POLICY CONSIDERATIONS:**

The City of Sacramento views restaurants located within designated neighborhood commercial corridors that create new jobs as an important cornerstone of the City's economic development. Approval of the subject recommendation serves to promote this City policy objective.

**ESBD CONSIDERATIONS:**

No goods or services are being purchased.

RE: SEWER FACILITY IMPACT FEES APN: 006-0087-046  
414 K STREET

The Sewer Facility Impact Fees due for the 1911 sq ft restaurant within Macys are as follows:

Calc.:  $1911 \times 4.7/1000 = 8.98$  ESD's  
 $1911 \times 0.1/1000 = 0.19$  ESD's (Credit)  
 $8.98$  ESD's -  $0.19$  ESD's = 8.79 ESD's

Impact to Sac. Regional County Sanitation District  
8.79 ESDs @ \$3500/ESD = \$ 30,765

If you have any questions regarding the above, please feel free to call me at 876-6049.
