Honorable Mayor and
Members of the City Council

Subject: Ordinance Amendments: Chapter 12.20 Of The City Code Relating To Work Affecting The Public Right Of Way, And Chapter 8.68 Relating To Noise Control

Location/Council District: Citywide

Recommendation:

1) Pass for Publication, as required by Sacramento City Charter 32(c), an Ordinance amending Sacramento City Code Chapter 12.20 relating to work affecting the public right of way, and Chapter 8.68 relating to noise; and 2) continue to October 18, 2005 for adoption.

Contact: Jon Blank, Supervising Civil Engineer, 808-7914; Nicholas Theocharides, Engineering Services Manager, 808-5065

Presenters: None

Department: Department of Transportation

Division: Engineering Services Division

Organization No: 3437

Summary:

Under the current City Code, the administrative penalty for violations related to work affecting the public right of way, and for work relating to allowable exterior noise control is \$500 per infraction. The proposed ordinance amendments increase the penalty from \$500 to \$1000 per infraction. City Council directed staff to proceed with implementing recommendations indicated in the "Construction Traffic Management Report Back" presented to City Council on June 14, 2005.

Committee/Commission Action:

On September 20, 2005, the Law and Legislation Committee reviewed the ordinances amending Section 12.20.080 and Section 8.68.280 of the City Code. The committee approved the amended ordinance and resolutions, and forwarded this item to the City Council.

Background Information:

On May 17, 2005 the City Council requested a report back on ways to minimize public inconvenience and reduce construction related traffic impacts. On June 14, 2005, the Department of Transportation recommended a number of short and long term process improvements, including an increase of the administrative penalty. The City Council directed the Department of Transportation to move forward with implementing the recommendations.

Financial Considerations:

Administrative penalties issued to persons performing work under a City contract shall be deducted from the contract; otherwise, all revenues shall be deposited into the General Fund.

Environmental Considerations:

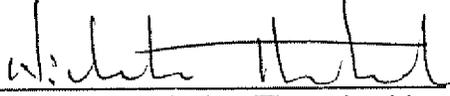

The Planning Division, Neighborhood, Planning & Development Services Department has reviewed the project and has determined that it is exempt from the California Environmental Quality Act (CEQA) under Sections 15061(b)(1), 15061(b)(3), and 15301(c) of the CEQA Guidelines. This project involves general policy and procedures with the operation of City streets and has no potential adverse impacts on the environment.

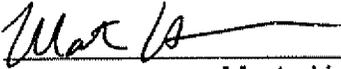

Policy Considerations:

The proposed ordinance is consistent with the City Council's priorities of Public Safety and Economic Development.

Emerging Small Business Development (ESBD):

No goods or services are being provided.

Respectfully Submitted by: 
Nicholas Theocharides
Engineering Services Manager
