City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Slope Easement Agreement for the Sacramento River Parkway Bike Trail Project at the I Street Undercrossing of the Southern Pacific Transportation Company Tracks

SUMMARY:

As part of the Sacramento River Parkway Bike Trail project, it is necessary for the bikeway to cross under the Southern Pacific tracks adjacent to the Sacramento River. This slope easement reduces the length of required retaining walls. The slope easement agreement contains the various conditions imposed on the City by Southern Pacific in order to grant the easement. These conditions have been reviewed and agreed to by staff.

FINANCIAL DATA:

The City will be responsible for payment of \$1,000.00 as consideration to the Southern Pacific for the slope easement. The City will also be responsible for payment of preliminary engineering, inspection, and the relocation of electrical and communication facilities belonging to Southern Pacific. This amount is estimated at \$12,050.00 and is part of the contingencies for the project. A total of \$512,340.00 has been budgeted for this project.

RECOMMENDATION:

It is recommended that the attached resolution authorizing the City Manager and the City Clerk to execute a Slope Easement Agreement with the Southern Pacific Transportation Company for the Sacramento River Parkway Bike Trail Undercrossing at I Street be adopted.
