Gentlemen:

It is my understanding that the matter of considering petitions for taxi permits is on your agenda for February 15th.

I am a disabled person who has used Greyhound and/or Yellow taxis almost daily for six years. In that time I have indeed seen the need (and I am sure there must be many others sharing my criticism and needs) for an efficient taxi service. Surely, the people in this area deserve a better deal -- both for the public and for the drivers.

Since the beginning of this year, I have been very grateful for the efficient, polite, caring service given to me by the jitney drivers.

I particularly want to mention a former Greyhound driver, Leo Brizsee, who has given me extraordinarily courteous treatment during the past six years. He is a long-time resident of this area (a Greyhound driver for 18½ years), a truly solid citizen. I am sure there are others with similar excellent credentials who, if given taxi permits, would give the type of service this community deserves.

I fervently hope there is some favorable action. Thank you.

Sincerely,

Phyllis D. Simmons
