

REPORT TO COUNCIL City of Sacramento

915 I Street, Sacramento, CA 95814-2604
www.CityofSacramento.org

CONSENT
March 4, 2008

Honorable Mayor and
Members of the City Council

Title: Amendment: On-Call Master Consultant Services List for Public Facilities

Location/Council District: Citywide

Recommendation: Adopt a **Resolution** amending the On-Call Master Consultant Services List for Public Facilities for administrative corrections.

Contacts: Yadi Kavakebi, Facilities & Real Property Superintendent, 808-8432;
Cynthia Kranc, Facilities Manager, 808-2258

Presenters: Not applicable

Department: General Services

Division: Facilities and Real Property Management

Organization No: 3281

Description/Analysis:

Issue: The On-Call Master Consultant Services List for Public Facilities needs to be amended to remove Wood Rodgers, and Johnson Controls, Inc. from all services on the list because those firms failed to execute agreements, and to remove Indigo Architects from providing electrical engineering and structural engineering services because that firm failed to execute agreements for those services.

Policy Considerations: The recommendation in this report is in accordance with the provisions of City Code Section 3.64.

Environmental Considerations: Approval of the On-Call Master Consultant Services List for Public Facilities is not a project as defined by the California Environmental Quality Act (CEQA) guidelines, Section 15378. The

recommended action involves no physical construction and has no potential to cause a significant impact to the environment.

Rationale for Recommendation: The On-Call Master Consultant Services List for Public Facilities needs to be amended to make the following corrections:

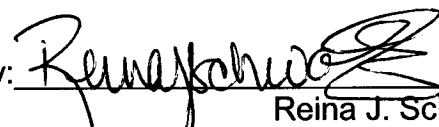

- Remove Wood Rodgers from the list as a consultant for surveying services because Wood Rodgers failed to execute an agreement.
- Remove Johnson Controls, Inc. from the list as a consultant for energy services because Johnson Controls, Inc. failed to execute an agreement.
- Remove Indigo Architects from the list as a consultant for electrical engineering services and structural engineering services because Indigo Architects failed to execute agreements for these services. Indigo Architects did execute an agreement for energy services and will remain on the list as a consultant for that service.

It is in the best interests of the City to amend the On-Call Master Consultant Services List for Public Facilities and to insure the list is accurate, thus streamlining City business. With the changes noted above, a total of 79 firms will remain on the On-Call Master Consultant Services List for Public Facilities.

Financial Considerations: This report recommends an administrative action only and does not, in itself, result in any financial impact to the City.

Emerging Small Business Development (ESBD): This report recommends an administrative action only and does not, in itself, result in the purchase of any goods or services.

Respectfully Submitted by: 
Cynthia Kranc
Facilities Manager

Approved by: 
Reina J. Schwartz
Director, Department of General Services

Recommendation Approved:

for Ray Kerridge
City Manager

RESOLUTION NO.

Adopted by the Sacramento City Council

March 4, 2008

AMENDING THE ON-CALL MASTER CONSULTANT SERVICES LIST FOR PUBLIC FACILITIES

BACKGROUND

- A. On December 2, 2003, City Council adopted Resolution No. 2003-853 approving the recommendations of Smith Culp Consulting to improve the delivery of projects. One of the recommendations was to establish an on-call consultant list for faster and cost effective delivery of professional services.
- B. On October 24, 2006, City Council adopted Resolution 2006-784 approving an On-Call Master Consultant Services List for Public Facilities; however an administrative error omitted Beals Alliance for the landscape architecture services portion of the list for consultants, and Kitchell for the mechanical engineering services portion for fiscal year agreements in a not to exceed amount of \$150,000.
- C. On December 12, 2006, City Council adopted Resolution No. 2006-895 amending the previous on-call consultant list and repealing Resolution No. 2006-784.
- D. The On-Call Master Consultant Services List for Public Facilities needs to be amended to remove Wood Rodgers, and Johnson Controls, Inc. from all services on the list because those firms failed to execute agreements, and to remove Indigo Architects from providing electrical engineering and structural engineering services because that firm failed to execute agreements for those services.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The On-Call Master Consultant Services List for Public Facilities adopted by Resolution No. 2006-895 is amended (Exhibit A) to remove Wood Rodgers, and Johnson Controls, Inc. from all services on the list because those firms failed to execute agreements, and to remove Indigo Architects from providing electrical engineering and structural engineering services because that firm failed to execute agreements for those services.
