Honorable Members in Session:

SUBJECT: Sacramento River Bike Trail-Historical Segment, Agreement Approval

SUMMARY

This report recommends that the City Manager be authorized to execute a joint use agreement with the County of Sacramento for a portion of the Sacramento River Bike Trail-Historical Segment to be constructed by the City on County-owned property.

BACKGROUND INFORMATION

The City Council approved construction of the Historical Segment of the Bike Trail in FY 1974-75. The project is partially funded by a Federal Land and Water Conservation grant and under conditions of the grant, the City must enter into a 25-year joint use agreement with the County. This agreement will provide for the City construction of improvements on the two County-owned parcels. In addition, the County shall agree to maintain all improvements with the exception of the bike trail which will be maintained by the City.

FINANCIAL DATA

This project, approved in fiscal year 1974-75, is funded by County of Sacramento Bond Act funds (\$300,000); Federal Land and Water Conservation (\$287,340), Transportation Development Act funds (\$50,000), and City Bikeway funds (\$50,000) for a total project cost of \$687,340.

RECOMMENDATION

It is recommended that the City Council, by resolution, authorize the City Manager to execute the joint use agreement with the County of Sacramento.
