Re: Windham Estates - Lot 107 (Job # 22081)
Site Observation for Cut Studs

To Whom It May Concern:

This letter is to clarify that on the above referenced lot, there were 29 studs cut. The following sketch shows the approximate location of these studs. On June 13, 2003 a representative from my office made a site observation to verify that all the repairs were made in accordance with my specifications. In our opinion, the repairs were completed per our recommendations.

If you have any questions, please call Rob Coon.
