

RESOLUTION NO. 2006-015

Adopted by the Housing Authority of the City of Sacramento

August 15, 2006

APPROVAL OF CREATION OF EXEMPT MANAGEMENT CLASSIFICATIONS OF HOUSING AUTHORITY SITE MANAGER AND ASSISTANT SITE MANAGER; RELATED BUDGET AMENDMENT

BACKGROUND

- A. The US Department of Housing and Urban Development (HUD) has issued regulations requiring public housing authorities, as a condition of the Public Housing Operating Fund Program, to manage their properties under asset management and project based accounting systems rather than the existing centralized operation.
- B. In order to comply with these HUD regulations, the Housing Authority of the City of Sacramento (Housing Authority) will need to make organizational changes that will involve reassigning staff to individual Housing Authority property sites.
- C. The management of Housing Authority properties at individual sites will require creation and staffing of the new exempt management classifications to support the transition to the new asset and project based management structure.
- D. Creation of new employment classifications requires an amendment to the adopted Sacramento Housing and Redevelopment Agency budget and approval by its constituent entities.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE HOUSING AUTHORITY OF THE CITY OF SACRAMENTO RESOLVES AS FOLLOWS:

Section 3.
