

**RESOLUTION NO. 2014-0116**

Adopted by the Sacramento City Council

May 13, 2014

**APPROVING ENGINEER'S ANNUAL REPORT AND INTENTION TO ORDER  
MAINTENANCE OF IMPROVEMENTS FOR THE NEIGHBORHOOD LANDSCAPING  
DISTRICT FOR FISCAL YEAR (FY) 2014/15  
(Pursuant to Landscaping and Lighting Act of 1972)**

**BACKGROUND**

- A. The Neighborhood Landscaping District (the District), as depicted in Exhibit A, was established by the City Council and approved by the property owners on July 29, 1991.
- B. The City Council established the District under the Landscaping and Lighting Act of 1972 (Part 2 of Division 15 in the Streets and Highways Code, beginning with Section 22500) (the 1972 Act), and has previously levied assessments on property in the District to pay for landscaping maintenance services and related services to be provided within the District, all in accordance with the 1972 Act.
- C. The District has 34 subdivisions with assessments that change by varying amounts primarily based on the operational needs of each subdivision. Five of these subdivisions are now at the maximum allowed assessment. In these five, the assessment is increasing by the permissible change in the Consumer Price Index, which is 2.24%. In all 34 subdivisions, due to more accurate contract and utility cost analysis, assessments are going both down and up, resulting in an average increase of 12.8% from FY2013/14.
- D. The Supervising Engineer of the Department of Public Works, the person designated by this Council as the Engineer of Work for the District, was directed to file an annual report in accordance with the provisions of the 1972 Act.
- E. The Council is fully advised in this matter.

**BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL  
RESOLVES AS FOLLOWS:**

- Section 1. The City Council finds and determines that the background statements A through E are true and correct.

- Section 2. The City Council hereby approves the Engineer's Annual Report for FY2014/15 on file in the City Clerk's Office.
- Section 3. The City Manager is authorized to make any necessary budgetary adjustments associated with the approval of the Engineer's Annual Report for FY2014/15.
- Section 4. The City Council intends to levy and collect assessments within the District during FY2014/15. The area of land to be assessed is located in the City of Sacramento, Sacramento County.
- Section 5. The maintenance of improvements to be made in this District is generally described as follows:
- The maintenance or servicing, or both, of any of the landscaping, water irrigation and masonry wall, including: (a) repair, removal or replacement of all or part of any improvement; (b) the provision for the life, growth, health and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing or treating for disease or injury; (c) the removal of trimmings, rubbish, debris and other solid waste; and (d) the furnishing of water for the irrigation of any landscaping, the operation of any fountains, or the maintenance of any other improvements.
- Section 6. In accordance with this Council's resolution directing the filing of an annual report, the Engineer of Work has filed with the City Clerk the report required by the 1972 Act. All interested parties are referred to that report for a full and detailed description of the improvements, the boundaries of the assessment district, and the proposed assessments upon assessable lots and parcels of land within the assessment district.
- Section 7. At the hour of 6:00 pm on Tuesday, June 10, 2014, the City Council will conduct a public hearing on the question of the levy of the proposed annual assessment. The hearing will be held at the meeting place of the City Council located in the New City Hall, 915 I Street, First Floor, Sacramento, California.
- Section 8. Assessments for all subdivisions within the District are at or below the highest authorized amount for this district, as shown on Exhibit B.
- Section 8. The City Clerk is authorized and directed to give the notice of hearing required by the 1972 Act.
- Section 9. Exhibits A and B are part of the resolution.
