

ORDINANCE NO. 1026,

FOURTH SERIES

An Ordinance Fixing The Salaries And Wages Of All Employees Of The City Of Sacramento, And Providing Rules For The Determination Thereof And Making This Ordinance An Emergency Measure To Take Effect December 1, 1944.

BE IT ENACTED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

SECTION 1: GENERAL PROVISIONS—beginning December 1, 1944, each employee of the City of Sacramento shall receive the salary or wage provided in this ordinance.

The amounts set out herein as salaries, wages and compensation are gross compensations.

Salary steps are provided herein for certain classifications of employment which are designated herein as "First Year Salary," "Second Year Salary," "Third Year Salary," "Fourth Year Salary," and "Fifth Year Salary." The "First Year Salary" shall be the salary or wage which the employee occupying a certain classification of employment shall receive during his first year of service in such classification. The second, third, fourth and fifth-year salaries or wages set out herein shall be the salary or wage which an employee in a certain classification shall receive during each of such succeeding years of service in such classification.

The increase of the salary or wage of any employee through the various salary steps, by reason of time of service in a Classification of Employment, shall be known as an "Annual Increase." No employee shall receive more than one annual increase for each year of service in a particular classification of employment. The annual increase provided herein shall become effective the first day of the month immediately following the anniversary of employment of such employee in such classification of employment.

The foregoing provisions are subject to the provisions of the subsequent sections of this ordinance.

If no schedule of compensation has been adopted by this ordinance for a particular classification of employment, the employees occupying such classification shall, pending the action of the City Council fixing the salary of such classification, receive the entrance salary or wage proposed by the Civil Service Board or City Manager for such classification.

SECTION 2: WORK SCHEDULES AND METHOD OF SALARY CONVERSION

When it becomes necessary to determine the compensation of any employee in accordance with the provisions of this ordinance, any rate in terms of dollars a month, dollars a day, or cents an hour, shall be converted by the use of the following annual work schedule:

WORK SCHEDULE 15  
Subject to provisions of Charter of City of Sacramento. Work schedule of Fire Department of employees whose employment therein was on shall be subject to a limitation of the City Charter of a maximum age of employment of not over 40 years.

WORK SCHEDULE 16  
6 day 48 hour work week—2424 hours per year.

8 hours per day for 7 consecutive days, then 1 day off, repeat 5 times, then work 6 consecutive days then 3 days off, then repeat entire schedule.

SECTION 3: PRESENT EMPLOYEES

RECEIVING IN EXCESS OF SALARY STEP

Any employee who on December 1, 1944, is occupying a position classified herein and who immediately prior to the adoption of this ordinance was receiving a salary or wage in excess of the salary or wage provided herein for the proper salary step for such classification of employment, shall continue to receive such salary or wage while occupying such position herein.

**SECTION 4: PROMOTION — EFFECT UPON RATE OF COMPENSATION**

Upon the promotion of any employee from a lower classification of employment to a higher classification of employment, such promoted employee shall receive in the promotive classification the salary or wage next higher in amount to his present salary or wage provided herein for such promotive classification, and such promoted employee shall receive an annual increase as provided herein for such promotive classification, for each year of service spent in such classification after the date of promotion; provided that such annual increase shall become effective the first day of the month immediately following the anniversary of service in such promotive classification.

**SECTION 5: DEMOTION—EFFECT UPON RATE OF COMPENSATION**

Upon the demotion of any employee from a higher classification to a lower classification, the employee so demoted shall receive a salary or wage set out in the salary step of the classification demoted to, which corresponds to the total number of years of service of such employee with the City; provided that the operation of this section shall in no instance have the effect of giving to such employee an immediate salary increase.

**SECTION 6: PART TIME EMPLOYEES—COMPUTATION OF COMPENSATION**

Part time employees shall only be paid on an hourly rate, computed on an annual basis, according to the provisions of Section 2 herein.

**SECTION 7: REEMPLOYMENT—EFFECT UPON RATE OF COMPENSATION**

Any employee whose employment with the City of Sacramento was terminated previously by the City and who is reemployed by the City of Sacramento within three (3) years of such termination of employment, shall return to the employ of the City of Sacramento upon the same basis and to the same status which he held at the time that he left. The time absent from the service of the City of Sacramento shall not be considered as service in a classification of employment for the purpose of determining the proper salary step.

**SECTION 8: EFFECT OF TEMPORARY EMPLOYMENT OF EMPLOYEE**

The temporary employment of an employee in a different classification of employment shall have no effect whatsoever upon his right to an annual increase of salary as provided herein for his original classification of employment.

Temporary employment is defined as the employment of a person in a position subject to the superior right of another person to such position.

**SECTION 9: OVERTIME PAYMENT—EMERGENCY WORK**

When an employee, other than those specifically excluded hereafter in this section, is directed by the head of the department in which he is employed to perform emergency work in excess of the work hours per day or on days off as provided in the work schedule herein for such position, or on regular holidays, he shall be paid for such work on an hourly basis at a rate which is one and one-half times the rate paid to him pursuant to this ordinance for his services performed in his classification of employment during his normal work hours, except that the Garbagemen and Truck Drivers (Garbage Dept.) be paid for holidays on a daily basis at a rate which is twice the rate paid to them pursuant to this ordinance for their services performed in their classification of employment during their normal work hours.

When an employee performs work in his classification of employment on his day off or on a holiday, he shall be paid for a minimum time of four hours at the rate prescribed in this section.

No overtime shall be paid any employee of the City of Sacramento except as provided in this section.

The provisions of this section shall not apply to employees working on work schedules 5 to 15 inclusive, Department Heads and Division Heads or employees of the Library Department, or any officer or employee of the Police or Fire Departments, whose employment therein was or shall be subject to a limitation of the City Charter, of a maximum age of employment of not over 35 years in the Police Department and 40 years in the Fire Department.

**SECTION 10: ALLOWANCE FOR OVERTIME, DAYS OFF OR HOLIDAY WORK**

An employee of the City of Sacramento who is permitted or directed by the head of the department in which he is employed to perform work of a nature included in the duties of his classification of employment, in excess of the work hours per day or on days off as provided in the work schedule herein for such position, or to perform such work on regular holidays, shall be allowed such time off from his employment with pay as is equal to the amount of time worked in excess of the work hours per day for such classification of employment or as is equal to work performed on days off or on a regular holiday. The determination of the date for the allowance of such time off to such employee shall be within the discretion of the department head, but such time off must be allowed within one year from the date of the performance of such excess work.

When an employee performs work in his classification of employment on his day off or holiday, he shall be allowed a minimum of 4 hours off with pay pursuant to the other provisions of this section.

The provisions of this section shall only apply to employees paid on a monthly basis.

**SECTION 11: ALLOWANCE FOR "ON CALL" SERVICE**

An employee who is required to remain within call for emergency work shall be paid \$10.00 per week in addition to his regular compensation. When a regular holiday falls within an employee's "On Call" week, the employee shall receive one day's pay at straight time. If, however, the employee is required to do emergency work on said holiday or in excess of the normal work hours per day of such position, he shall be paid for such work on an hourly basis at a rate which is one and one-half times the rate paid to him pursuant to this ordinance.

When an employee performs work in his classification of employment on his day off or on a holiday during his "On Call" week, he shall be paid for a minimum time of four hours at the rate prescribed in this section.

**SECTION 12: HOLIDAYS**

The regular holidays referred to in this ordinance shall be the following: NEW YEARS DAY, WASHINGTON'S BIRTHDAY, MEMORIAL DAY, INDEPENDENCE DAY, LABOR DAY, ADMISION DAY, ARMISTICE DAY, THANKSGIVING DAY, CHRISTMAS DAY. (Statewide) GENERAL ELECTIONS and BIENNIAL MUNICIPAL ELECTIONS.

Employees whose regular day off falls on one of these holidays shall be allowed another day off in lieu thereof.

**SECTION 13: TIME SPENT IN MILITARY SERVICE—EFFECT UPON COMPENSATION**

An employee before or after the passage of this ordinance who is entitled to or is granted a Military Leave of Absence from the service of the City to enter the armed forces of the United States, and who does enter the armed forces, shall for the purpose of this ordinance be considered as having spent that time in the service of the City.

**SECTION 14: LEAVE OF ABSENCE—EFFECT UPON COMPENSATION**

If a leave of absence without pay is granted to an employee, the time actually worked in his classification of employment and salary step, before and after the leave of absence, shall be added together and must total one year before he is eligible to receive an annual increase as provided herein, except as provided in Section 13.

**SECTION 15: OPERATION OF ORDINANCE IN CONJUNCTION WITH ORDINANCE NO. 982 FOURTH SERIES**

In addition to the salary or wage provided herein, each employee shall receive the additional compensation provided for him by Ordinance No. 982, Fourth Series, adopted by the people at a special election June 29, 1943.
