Idar O. Stangbye
Owner or Owner's Representative.

Plans must be submitted.

1. The first part of the document is a header section containing the title and the author's name. This section is followed by a horizontal line that separates it from the main body of the text.

2. The second part of the document is the main body of text, which is organized into several paragraphs. Each paragraph is separated by a small gap, and the text is left-aligned.

3. The third part of the document is a section that appears to be a list or a set of numbered items. The items are arranged in a vertical column and are separated by small gaps.

4. The final part of the document is a footer section, which contains the page number and the date of publication. This section is located at the bottom of the page and is separated from the rest of the text by a small gap.
