MEMORANDUM

Date: December 21, 1998
To: David Hay, Building Inspector III
From: Thomas S. Pace, Assistant Planner
SUBJECT: Natomas West/California Gardens Plot Plans (P98-020)

I have reviewed the plot plans for Village 1, Lots 29-32, and determined that they comply with the Special Permit conditions and the PUD Guidelines.

For future reference, there are some special conditions which apply to this subdivision relating to reduced front setbacks for porches (12.5') and fronts of houses (15', but garage doors must be at 20'), and lot coverage, which is normally a 40% maximum, (but up to 10% of all lots can have up to 45% coverage, and another 10% of all lots can have up to 50% coverage, and 2 lots with standard 40% coverage or less must separate any lots exceeding 40% coverage). Three street trees are required on corner lots, and one tree each on interior lots, placed 4' from back of walk. Also, certain lots along the freeway must be one-story homes (see attached map).

I am attaching the Special Permit conditions, the PUD Guidelines, and the Mitigation Monitoring Plan. Call me at 264-6848 if you have any questions.
