

Sacramento, California,

September 15, 1932.

The Civil Service Board of the City of Sacramento met in regular session on the above date at five forty-five o'clock P. M. in the office of the Board, Room 106 City Hall, President Weisman presiding.

PRESENT: Commissioners Chenu, Deise and Weisman.

ABSENT : None.

The minutes of the previous meeting were read and approved as read.

The Board took this opportunity of thanking its Secretary upon the fine report which he made with reference to his attendance at the Western Conference Civil Service Assembly, which was held in San Francisco on August 18th, 19th, and 20th.

Mr. Lester Robinson appeared before the Board, requesting that they give him an opportunity to be enrolled upon the eligible list for Garbage man. He contended that he had filed a card requesting that he be notified of the examination, but that he did not receive a notice. It was properly moved by Commissioner Chenu, seconded by Commissioner Deise and unanimously carried that from the facts presented it would not be consistent with good practice to grant the request.

Mr. Ed. Reese, through the Secretary, asked the Board to re-open his case, but from the facts presented it was the consensus of opinion that no new facts were presented which would change the opinion already rendered by the Board.

No further business appearing before the Board they stood adjourned at 6:15 o'clock P.M. to meet again at the call of the Chair.

APPROVED:

President *H. J. Weisman* Secretary *Harold P. Norton*
