

ORDINANCE NO. 2009-031

Adopted by the Sacramento City Council

June 23, 2009

**AN ORDINANCE ADDING CHAPTER 2.18 TO THE SACRAMENTO CITY CODE TO
CREATE THE OFFICE OF THE CITY AUDITOR**

BE IT ENACTED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

Section 1.

Section 5 of the Charter of the City of Sacramento provides that "[t]he city council may establish departments, divisions, offices and positions of employment not established by this Charter or created thereunder and shall have the power to abolish, merge or consolidate same." Section 70 et seq. of the Charter further provides that the City Council may appoint officers of its own body to serve at the City Council's pleasure. The City Council finds that the creation of an Office of the City Auditor, with a Council-appointed City Auditor, pursuant to the foregoing provisions serves the best interests of the City, by making the City Auditor independent of the other City offices.

A city auditor directly appointed by the City Council promotes honest, efficient, effective, and fully accountable city government. A city auditor fulfills that mission by independently conducting audits and examinations of any city department, program, service or activity. Audits and examinations provide the city council and city management with information and evaluations regarding the effectiveness and efficiency with which city resources are employed, the adequacy of the system of internal controls, and compliance with city policies and procedures and regulatory requirements.

Section 2.

Chapter 2.18 is added to the Sacramento City Code to read as follows:
