SUBJECT: Appointments

The Personnel Committee met on January 14th and recommends unanimously as follows:

Reappointment of Rick Stevenson to Sacramento Heritage Inc.

Reappointment of Ross Little to the Noise Control Board.

Reappointment of Bob Rakela and Marie McLean to the Perservation Board. Both of them were appointed within the last six months to serve out unexpired terms. They have served well, according to Hastings. Moreover, a reorganization of Perservation and the ARB is in the works, and changes in the structures may take place soon.

Reappointment of Joe Serna to the Housing and Redevelopment Commission.
