**SUBJECT: Acquisition of Strauch School Park Property**

**SUMMARY**

This report recommends that the City Council, by resolution

1. Establish a CIP account for acquisition of Strauch School Park property; and
2. amend the FY 1988-89 City Capital Improvement budget by transferring funds in the amount of \$300,000 from the Quimby Act Reserve Fund to the Parks and Community Services Department Capital Improvement budget for acquisition of 2.5 acres of land for development of Strauch School Park.

**BACKGROUND INFORMATION**

The 1984 Master Plan for Park Facilities and Recreation Services identifies Strauch School Park, located in the Ninos Parkway in the Northgate area, as a designated park. In addition, the master plan recognizes a need for development of an additional three acres adjacent to the school. The site is a rectangular parcel containing a net 2.5 acres located at Northstead and Edmonton Drives. There is approximately 117 feet of frontage available for acquisition along Northstead Drive which shares a property line with Strauch School.

The City has had the property appraised by Howard A. Pearson and Associates. This appraisal values the land at \$296,000. Appraisal fees are \$1,800. The total cost of the acquisition, including appraisal and closing costs, is approximately \$300,000.

**FINANCIAL DATA**

Funds for acquisition of this parcel in the amount of \$300,000 are available from the Quimby Act Reserve account. No additional funds are required.

RECOMMENDATION

It is recommended that the Budget and Finance Committee approve this report and refer it to the full City Council for action. Further, it is recommended that the City Council, by resolution:

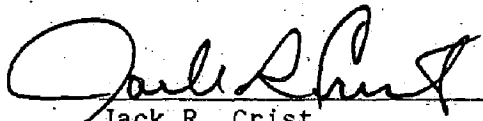

1. Establish a CIP account for acquisition of Hazel Strauch School Park property;
2. Authorize the purchase of a 2.5 acre parcel from Artz and Cook for \$296,000 for park purposes;
3. Authorize the payment of all appraisal and closing costs as necessary; and
