Re: **An Ordinance Adding 15.201-1 to the City Code, Relating to Fire Code Appeals**

Honorable Members in Session:

Summary

This report recommends adoption of an ordinance to clarify that the Construction Codes Advisory and Appeals Board hears appeals of fire code interpretations and requirements.

Background

Chapter 15, Article II of the City code adopts the 1982 Uniform Fire Code (UFC). Certain sections of the UFC are deleted or amended.

Section 2.302 was not deleted when the 1982 UFC was adopted. Section 2.302 provides for a fire code Board of Appeals. As such, it conflicts with Section 9.584 of the City Code which provides that fire code appeals shall be heard by the Construction Codes Advisory and Appeals Board as set forth in Article XIX of Chapter 19.

The proposed ordinance would delete UFC Section 2.302 and provide that Article XIX of Chapter 9 applies to fire code appeals.

Recommendation

It is recommended that the Law and Legislation Committee recommend to the full Council adoption of the proposed ordinance.

Respectfully submitted

WILLIAM R. POWELL
Fire Chief
