

REPORT TO COUNCIL

City of Sacramento

915 I Street, Sacramento, CA 95814-2604
www. CityofSacramento.org

CONSENT
August 28, 2007

**Honorable Mayor and
Members of the City Council**

Title: Contract: 2007 Speed Humps Project (PN: SH89)

Location/Council District: Various Locations in all Council Districts. Location List – Exhibit A of Resolution.

Recommendation: Adopt a **Resolution** 1) approving the plans and specifications for the 2007 speed humps project; 2) awarding the contract to Florez Paving for an amount not to exceed \$183,212; and (3) authorizing the City Manager to execute the contract with Florez Paving.

Contact: Saed Hasan, Senior Engineer, 808-7923; Jon Blank, Supervising Engineer, 808-7914

Presenters: None

Department: Transportation

Division: Engineering Services

Organization No: 3434

Description/Analysis:

Issue: The 2007 speed humps project consists of constructing speed lumps and speed tables on various streets throughout the City. Council approval of the plans and specifications and award of contract is necessary to move forward with project construction.

Policy Considerations: The action requested herein is consistent with the City's Strategic Plan goals of improving and expanding public safety.

Environmental Considerations: The Development Services Department, Environmental Planning Services has reviewed the proposed action and determined that the project is exempt from the provisions of the California Environmental Quality Act (CEQA) under Class 1, Section 15301(c), and Class 11, Section 15311(a) of the CEQA Guidelines. Class 1, Section 15301(c), consists of minor alterations of existing highways streets, sidewalks, curbs,

gutters, and similar facilities. Class 11, Section 15311(a), consists of construction of minor structures (on-premise signs) accessory to existing facilities.

Rationale for Recommendation: Florez Paving is the lowest responsive and responsible bidder.

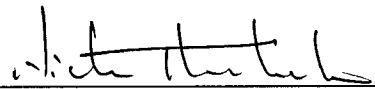

Financial Considerations: The estimated total project cost is \$325,000 which includes \$56,400 for City crews to place signing and striping. The project will be funded with the Speed Humps Program and Neighborhood Traffic Management Program funds as follows:

CIP Name	CIP#	Unobligated Balance as of August 1, 2007	Amount to Encumber
Speed Humps Program	SH89	\$446,245*	\$252,646
Alhambra Tract - NTMP	TN56	\$1,200	\$1,200
Meadowview Phase I- NTMP	TN60	\$24,900	\$19,296
Frates Ranch - NTMP	TN62	\$21,700	\$21,700
Rancho Del Paso - NTMP	TN66	\$24,500	\$7,784
East Fruitridge - NTMP	TN67	\$16,100	\$1,965
River Oaks - NTMP	TN69	\$24,900	\$14,347
North Natomas On Street Bike Lanes	HC31	\$5,000	\$2,908
Sutters Landing Survey	LS14	\$23,900	\$3,154
Total		\$588,841	\$325,000

* The balance of SH89 includes the fiscal year 2007/2008 funding allocation in the amount of \$300,000.

The unobligated balance of \$588,841 is sufficient to award the contract to Florez Paving and cover remaining project management and construction cost.

Emerging Small Business Development (ESBD): The ESBD goal is 20%. To encourage small and emerging business participation, plans and specifications were sent to 18 plan rooms and construction service organizations for publication. All are directly involved with Emerging and Small Business Enterprise (ESBE) construction firms. The project was also announced on the City's Project Internet site at www.cityofsacramento.org/bids. Florez Paving has achieved 100% ESBE participation.

Respectfully Submitted by: 
Nicholas Theocharides
Engineering Services Manager

Approved by: 
Jerry Way
Director of Transportation

Recommendation Approved:

RAY KERRIDGE
City Manager

	Exhibit A – Location List	Pg 7

ATTACHMENT 1**Background Information:**

The City of Sacramento has been constructing speed humps since 1980 in response to neighborhood speeding problems.

Speed humps are located in residential areas and near parks and schools. Locations are determined through specific criteria identified in the Speed Humps Program or Neighborhood Traffic Management Program.

The 2007 Speed Humps Project consists of constructing speed lumps and speed tables on various streets throughout the City. The work will also include the conversion of certain existing speed humps to speed lumps and the removal of certain existing speed tables (see Exhibit A of Resolution).

The funding source for each segment of the project is based on the location and specific program criteria.

The project was advertised and bids were received on July 25, 2007. The bids are summarized below:

Contractor	Bid Amount	ESBE Participation (Goal 20%)
Florez Paving	\$183,212.00	100%
Biondi Paving, Inc.	\$222,882.00	98.8%
AC General Engineering, Inc.	\$242,974.00	20.4%%
Valley Slurry Seal	\$253,489.00	20.0%
Intermountain Slurry Seal, Inc.	\$306,196.70	21.1%
Martin Brothers Construction	\$406,361.00	20.0%

The engineer's construction estimate was \$250,000.

ATTACHMENT 2**RESOLUTION NO.**

Adopted by the Sacramento City Council

**AUTHORIZING A CONSTRUCTION CONTRACT FOR 2007 SPEED HUMPS
PROJECT (PN: SH89)**

BACKGROUND

- A. The City Speed Hump Program determines the location for Speed Humps throughout the City.
- B. The 2007 Speed Hump Project will construct speed humps and speed tables on various streets throughout the City. The work will also include the conversion of certain existing speed humps to speed lumps and the removal of certain existing speed tables.
- C. The project was advertised and bids were received on July 25, 2007. Bids are summarized below:

Contractor	Bid Amount	ESBE Participation (Goal 20%)
Florez Paving	\$183,212.00	100%
Biondi Paving, Inc.	\$222,882.00	98.8%
AC General Engineering, Inc.	\$242,974.00	20.4%%
Valley Slurry Seal	\$253,489.00	20.0%
Intermountain Slurry Seal, Inc.	\$306,196.70	21.1%
Martin Brothers Construction	\$406,361.00	20.0%

The engineer's estimated construction cost was \$250,000. Florez Paving is the lowest responsive and responsible bidder.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The contract plans and specifications for 2007 Speed Humps Project (PN: SH89) are approved.
- Section 2. The contract is awarded to Florez Paving for an amount not to exceed \$183,212.
- Section 3. The City Manager is authorized to execute the contract with Florez Paving.
