City Council  
Sacramento, California

Honorable Members in Session:

SUBJECT: Report on Bids for AUTOMATIC IRRIGATION AND PLAYGROUND IMPROVEMENTS  
AT MAX BAER PARK

SUMMARY:

The subject project, as part of the City's Capital Improvement program, has been advertised for bids. Bids have been received and the City Engineer recommends that this report be filed pending recommendation of bid award at a later date.

BACKGROUND:

On April 29, 1980, the City Council approved plans and specifications for the subject project and bids were received and opened by the City Clerk in the Council Chambers on May 20, 1980. The bids received are as follows:

Clifford C. Perini	\$118,009.50
B & V Landscaping, Inc.	118,338.50
Gus Navarrete	121,803.00
Daluis Iesiy Co., Inc.	128,126.35
Dig-It Engineering & Construction Co., Inc.	161,668.50
Cioli Landscaping, Inc.	163,748.80

The low bid of \$118,009.50 is 19.26% above the engineer's estimate of \$98,948.00. Also, because of the Community Development Block Grant funding, Section 3 Requirements must be complied with before the contract is awarded. Therefore, an additional analysis of the bids and compliance with Section 3 Requirements is necessary before a valid recommendation can be made.

RECOMMENDATION:

The City Engineer recommends that this report be filed and recommendation of bid award be made at a later date.

Respectfully submitted,

R. H. PARKER  
City Engineer

Recommendation Approved:
