CITY MANAGER'S OFFICE

Honorable Members in Session:

SUBJECT: Award of Contract, 15th and 16th, T and U Streets Alley Assessment District, Improvement Proceeding No. 4861

BACKGROUND INFORMATION

On December 26, 1979, the City Clerk received bids for the above named District. A report on the bids received was made to the Council on that date. The low bidder was Dig-It Engineering & Construction Co., Inc., whose bid of \$46,605.00 was 18.10% below the Engineer's Estimate.

FINANCIAL DATA

As part of the 1979-80 Budget, \$20,000.00 was allotted for this project from the Sewer Fund to replace the existing sewers in the alley. After computing the City Contribution based on the low bid prices, it is found that an additional \$10,000.00 will be necessary to completely fund the project. The remaining costs will be assessed against the properties within the assessment district.

RECOMMENDATION

It is recommended that the attached Resolutions be adopted in the order listed:

1. Resolution Authorizing the Director of Finance to expend \$10,000.00 from the Sewer Fund.
2. Resolution of Award, to Dig-It Engineering & Construction Co., Inc.

Respectfully submitted,
