Honorable Members in Session:

SUBJECT: Naming the Argonaut Community and Teen Center "Evelyn Moore Community and Teen Center"

SUMMARY

The Freeport Manor Neighborhood Council has requested that the Argonaut Community Center name be changed to the Evelyn Moore Community Center. A brief background of Evelyn Moore's services to the community and a recommendation is included herein.

BACKGROUND INFORMATION

Evelyn Moore served as an active member of the Freeport Manor Neighborhood Council for over eleven years including eight years as president. She was a major force in the cooperative venture by the Freeport Manor Neighborhood Council and the City of Sacramento to develop, and subsequently program, the Argonaut Community Center to meet the needs of the surrounding community. In particular, Mrs. Moore was instrumental in acquiring such capital improvements as street lights for the center and surrounding park site and in providing food programs for the neighborhood children. Evelyn Moore worked closely with local schools, the City and the residents in her many efforts to improve the quality of life in her community. These efforts were in addition to her many responsibilities as a mother of seven children, re-entry student and subsequent Sacramento Unified School District employee. Evelyn Moore remained an active and involved citizen up until her death in December 1983.

FINANCIAL DATA

New signage will cost approximately \$500. Funds will be requested in the FY 1986-87 budget.

To Whom It May Concern:

We the members of the Freeport Manor Neighborhood Council respectfully request that the Argonaut Community and Teen Center name be changed to the Evelyn Moore Community and Teen Center in memory of the dedicated work she has put into the neighborhood.

Evelyn Moore served her community well. For more than 11 years she worked to help the Freeport community to achieve a higher standard of living. Approximately eight of those years she served as President of the Freeport Manor Neighborhood Council, during which time she assisted in acquiring such items as street lights for recreation areas and community and teen center buildings. She worked closely with several schools to provide food programs for our children. She worked to provide food programs for our community. Her dedication and willingness to sacrifice herself for the cause and comfort of others will always keep alive our fond memories.

Your consideration regarding this matter is very appreciative.

Respectfully,

John Roberts,
Liaison Officer
