July 20, 1989

For Agenda Of: July 25, 1989

**TO: Sacramento County Board of Supervisors  
Sacramento City Council**

**APPROVED**  
BY THE CITY COUNCIL

**FROM: Brian H. Richter, County Executive

OFFICE OF THE  
CITY CLERK

**SUBJECT: APPOINTMENT OF ROBERT E. SMITH AS EXECUTIVE DIRECTOR  
OF THE SACRAMENTO HOUSING & REDEVELOPMENT AGENCY**

**RECOMMENDATION**

Approve the appointment of Robert E. Smith as Executive Director of the Sacramento Housing and Redevelopment Agency effective August 2, 1989.

**DISCUSSION**

As you are aware, on July 18, 1989 the current Acting Executive Director of SHRA, Andrew J. Plescia, resigned from the Agency effective August 2, 1989.

There is an exceptional workload and set of challenges facing the Agency for the balance of 1989-90 and the years ahead. There are a number of very complex, important and controversial issues to be addressed by the Agency including the following:

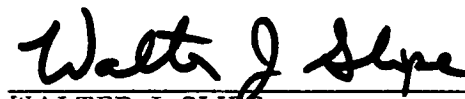

- Capital Mall Lot "A" Development Project
- County Housing Trust Fund
- Relocation of Public Inebriate Facility
- "R" Street Corridor Study
- Central Library Expansion Project
- Downtown Plaza Expansion Project
- Docks Area Development Project
- Gateway Services
- Public Housing Construction
- In-kind Services for General Assistance Recipients

In addition to these special programs, issues and problems, the Agency also needs to keep up its efforts in its "normal" programmatic areas, i.e. CDBG, Housing Rehabilitation, Homeless Programs, Oak Park and Alkali Flat, Redevelopment Issues, Housing Maintenance and Modernization, Elderly Nutrition, Mortgage Credit Certificates, Economic Development, Enterprise Zones, Community Information, MBE/WBE Compliance, Job Development, Section 8/Voucher Administration, Special Grants, etc.

Given the resignation of the Acting Executive Director and the workload described above, it is necessary to proceed immediately with the appointment of an Executive Director so there is a proper transition of leadership and the Agency can continue to function in an effective manner. Due to the importance of this situation and the strong leadership qualities which are required, we are recommending the immediate appointment of Robert E. Smith as the permanent Executive Director of SHRA effective August 2, 1989. Bob has clearly exemplified the political understanding, management/administrative skills and leadership abilities during his tenure at the County of Sacramento (specifically overseeing the Cable Television Commission and City/County Charter Commission) that is necessary to properly direct the Agency.

Respectfully submitted,

  
BRIAN H. RICHTER  
County Executive

Honorable Members in Session:

**SUBJECT: Owner Participation Agreement (OPA) for Oak Park  
House Move**

**SUMMARY**

Agency staff requests authorization to enter into an Owner Participation Agreement (OPA) with Sacramento Neighborhood Housing Services (NHS) to rehabilitate and expand a move-on house at their site located at 4535 11th Avenue in the Oak Park Redevelopment Project Area. As part of the OPA, the Agency will lend \$37,000 to NHS for improvements to the residential unit and provide a grant of \$1,500 to NHS for administrative expenses. The Agency's loan will be paid back from proceeds of the sale of this house to a qualified low or moderate income family. Of this amount up to \$15,000 may be loaned to a prospective purchaser based on the purchaser's financial needs.

**BACKGROUND**

As part of its long range expansion plans (Exhibit 1), the University of California Davis Medical Center (UCDMC) is in the process of acquiring residential units adjacent to its existing hospital site and auxillary facilities. UCDMC has purchased residential properties in its proposed expansion area on X, Y, and 45th Streets east of Stockton Boulevard which is in the Oak Park Redevelopment Project Area (Exhibits 2 and 3). UCDMC is willing to make these homes available free of charge to an appropriate organization along with a cash contribution equivalent to the cost of demolition in order to preserve affordable housing units.

## NHS Proposal

NHS, a non profit housing developer, proposes to move a UCDMC owned house presently located at 4340 X Street to a site they own in their Oak Park target area at 4535 11th Avenue. The house is currently a 2-bedroom, 1-bath unit with a fireplace. NHS will rehabilitate the house and add a bedroom, bathroom and two car attached garage (Exhibit 4) for sale to a first-time low to moderate income family. NHS is requesting a \$37,000 rehabilitation loan at no interest from the Agency and a \$1,500 grant for administrative costs, to pay for a portion of NHS staff time necessary to complete this project. This is similar to past Agency practices of funding administrative costs of other housing development projects sponsored by non-profits, including self-help projects in Alkali Flat, Del Paso Heights, and Oak Park.

## Conditions of the Owner Participation Agreement

The Agency will provide NHS with the funds for the rehabilitation, garage addition remodeling, and a \$1,500 administrative fee for a portion of staff time necessary to complete the project.

NHS will repay the Agency loan out of the sale proceeds. In the event that project cost is greater than the home's appraisal value, the amount of the loan to be repaid shall be reduced by the amount that the total cost of the house exceeds its appraised value, not to exceed \$15,000. While there is some risk that the Agency may not recover the full loan amount, a staff survey of comparable sales in the area indicate homes selling in a range equivalent to the anticipated project cost.

As a condition of the OPA this home will be marketed first to households residing in the Oak Park Redevelopment Project Area. The Agency may provide a subsidy to assist a family with purchase of the home in the form of a deferred second loan to the prospective homeowner. The combined amounts of the loan and the reduction of NHS's loan repayment shall not exceed \$15,000.

## FINANCIAL DATA

NHS is requesting a total of \$38,500: a loan of \$37,000 for rehabilitation and remodeling and a grant of \$1,500 for administration. The total project cost is estimated at \$65,660 (Exhibit 5, Column 3).

Rehabilitation	\$20,000
Garage	\$ 2,000
Bedroom/bath addition	\$15,000
Grant for Administration	<u>\$ 1,500</u>

Total \$38,500

The Agency may make a loan to the purchaser of no more than \$15,000 in order to make the home affordable. This loan will accrue 5% interest starting in year five and be due on sale or in 15 years.

The approval of the subject OPA does not require a budget transfer. Funds are available from the Oak Park Housing Development Fund (cost center A01701).

## ENVIRONMENTAL REVIEW

## VOTE AND RECOMMENDATION OF THE OAK PARK PROJECT AREA COMMITTEE (PAC)

The proposal has been modified to incorporate the PAC's request that NHS remodel the house from a 2-bedroom, 1-bath size to 3-bedroom and 2 bath unit. In addition, the PAC requested that the new garage be built to accommodate 2 cars.
