Honorable Members in Session:

SUBJECT: Authorization to Submit Grant Proposal to the Sacramento Employment
and Training Agency

SUMMARY

This report recommends authorization for the City Manager to submit a grant proposal to the Sacramento Employment and Training Agency on behalf of the Recreation Division of the Department of Parks and Community Services. The proposal is for funding to operate the Summer Youth Employment and Training Program (SYETP) for the City of Sacramento.

BACKGROUND INFORMATION

The Sacramento Employment and Training Agency (SETA) administers the federally funded SYETP and requests grant proposals on an annual basis for the SYETP/JTPA Title IIB Program. The grant proposal from the Recreation Division is in response to this request.

This grant proposal is in the amount of \$153,320 and is for the operation of the SYETP as proposed by the Recreation Division. This proposal would provide employment and training for youth between the ages of 14 and 21 during the summer. The duration of training would be from June 15 to August 20, 1987, inclusive. Participants would receive job training in a variety of skill areas within all departments and divisions of the City. Additional training will also be provided in the areas of job search and development. In the summer of 1985 the Recreation Division operated the program primarily for the Department of Parks and Community Services with ninety (90) youth enrolled in the program. Last year the program served all City Departments with 162 enrolled. Due to the funding cutbacks, SETA is only able to fund 120 positions this year.
