The owners of property within the boundaries of the Downtown Sacramento Property and Business Improvement District (PBID) have submitted petitions asking that the City Council establish the PBID and included with the petitions was a management district plan (The Downtown Sacramento PBID Management District Plan) that describes the proposed assessment to be levied on property within the PBID to pay for the following activities and improvements: (1) safety programs and the deployment of Community Service Guides to reduce nuisance crimes and make the Downtown environment more hospitable; (2) maintenance programs to continue enhanced sidewalk sweeping, sidewalk washing, alley cleaning, litter and graffiti removal; (3) economic development, advocacy, and marketing programs to support existing businesses, attract new businesses, and enhance the image of downtown; and (4) Old Sacramento improvements & activities for additional safety, economic development and marketing to benefit the Old Sacramento sub-district (paid for exclusively by the Old Sacramento sub-district). The plan proposes to fund these improvements and services through the levy of a special benefit assessment on real property within the PBID. The Downtown Sacramento PBID Management District Plan is on file with the City Clerk and made reference to. Attached, as Exhibit A, is a map of the exterior boundaries of the PBID and is part of this resolution.

Accordingly, on April 26, 2005, the City Council adopted Resolution No. 2005-264, entitled "Resolution of Intention to Establish the Downtown Sacramento Property and Business Improvement District" (the Resolution of Intention). Among other things, the Resolution of Intention states that a public hearing on the establishment of the PBID and the proposed assessment will be held on June 14, 2005, at 2:00 p.m. in the City Council's chambers, Interim Sacramento City Hall, 730 "I" Street (first floor), Sacramento, California. The Resolution of Intention also states the City Council's finding that the Downtown Sacramento PBID Management District Plan satisfies all requirements of Streets and Highways Code section 36622.

C. The properties within the exterior boundaries of the PBID will be benefited by the activities and improvements to be funded by the proposed assessment;

D. On April 27, 2005, the City Clerk mailed to each record owner of each parcel within the Districts exterior boundaries a notice concerning the public hearing on the establishment of the PBID and the proposed assessment. Each notice included the statutorily required information about the assessment and the majority-protest procedure, as well as an assessment ballot.
