**SUBJECT: NEIGHBORHOOD PARK MAINTENANCE COMMUNITY FACILITIES DISTRICT
NO. 2002-02 – ORDINANCE TO LEVY A SPECIAL TAX**

LOCATION AND COUNCIL DISTRICT:

The Neighborhood Parks Maintenance Community Facilities District (CFD) No. 2002-02 is located citywide. Initial formation of the District will be over one subdivision: Elder Creek Park Unit 2 in the South Sacramento Planning Area, Council District 6. (See Exhibit A)

RECOMMENDATION:

This report recommends that City Council approve the attached Ordinance to levy a special tax. (See Exhibit B)

CONTACT PERSON:

Ron Wicky, Special Districts Analyst, 264-5628
Richard Ramirez, Deputy City Manager, 264-7598

FOR COUNCIL MEETING OF: July 30, 2002

SUMMARY:

This CFD was completed on July 18, 2002. The special tax levy will pay for authorized park maintenance services for all years.

COMMITTEE/COMMISSION ACTION:

None.

BACKGROUND INFORMATION:

On July 18, 2002, City Council completed the formation process for this CFD.

On December 11, 2001 Parks and Recreation staff held a workshop for City Council on park maintenance services and funding. The staff report indicated that to maintain the current level of park maintenance for parks in newly developing areas, it will be necessary to revise how the park system is managed. One aspect is development of a special district in new development areas to finance neighborhood park maintenance. Currently, neighborhood parks are primarily funded by the general fund, along with funding from the Citywide Landscape & Lighting District.

In 1984 there were 241 acres of neighborhood parks in the City with budgeted funding of \$7,500 per acre. In 2000, there were 400 acres budgeted at \$4,800 per acre, with an additional 149 acres of neighborhood parks anticipated to come on line by 2006. The ability to maintain existing and new facilities becomes ever more challenging. The formation of a Community Facilities District for neighborhood park maintenance, will help the Parks Department in maintaining neighborhood parks at the level currently enjoyed by Sacramento residents.

FINANCIAL CONSIDERATIONS:

The intent of this proposed park maintenance/special tax district is to help relieve the Parks Department reliance on the general fund for neighborhood park maintenance, and to preserve the level of maintenance in the parks system.

The estimated maximum special tax to be levied on new residential properties are listed below:

<u>Tax Category</u>	<u>Special Tax Rate</u>
<u>Developed Parcels</u>	<u>per Residential Unit</u>
Single Family Residential Parcels	\$48.00
Condominium/Townhouse Parcels	\$48.00
Duplex/Tri-plex Residential Parcels	\$48.00
Multi-Family Residential Parcels	\$28.00
Mixed Use Parcels	\$28.00
Mobile Home Park Parcels	\$28.00

City Council
Citywide Neighborhood Park Maintenance CFD
July 8, 2002

The special tax will be subject to an annual escalation factor based on the Consumer Price Index, not to exceed 4%.

ENVIRONMENTAL CONSIDERATIONS:

City Council's action in approving this ordinance is solely for the purpose of levying a special tax for Community Facilities District, and is itself therefore, not a project for the purposes of the California Environmental Quality Act.

POLICY CONSIDERATIONS:

The procedures under which this CFD is being initiated are set forth in Title 5 of the Government Code, Sections 53311-53317.5, entitled "The Mello-Roos Community Facilities Act of 1982." Formation of a Parks Maintenance District is consistent with the City's Strategic Plan in preserving and enhancing the City's neighborhoods and quality of life.

ESBD CONSIDERATIONS:

City Council adoption of the attached resolution is not affected by City policy related to ESBD.

Respectfully submitted,

For 
Gary Alm, Manager
Development Services

Pursuant to Government Code Sections 53328 and 53340, and in accordance with the Rate and Method of Apportionment of Special Tax as shown on Exhibit B to the Resolution Establishing the City of Sacramento Neighborhood Parks Maintenance Community Facilities District No. 2002-02 ("District") (Resolution 2002-446 adopted by this Council on June 25, 2002), a special tax is hereby levied on all taxable parcels within the City of Sacramento Neighborhood Parks Maintenance Community Facilities District No. 2002-02 for the 2002-2003 tax year and for all subsequent years in the amount of the maximum authorized tax, provided that this amount may be adjusted annually, subject to the maximum authorized special tax limit, by resolution of this Council.

The Director of the Department of Public Works ("Director") or his/her designee, of the City of Sacramento ("City"), is authorized and directed, with the aid of the appropriate officers and agents of the City, to determine each year, without further action of this Council, the Special Tax Requirement (as that term is defined in Exhibit B of Resolution No. 2002-446 Establishing the District), to prepare the annual special tax roll in the amount of the Special Tax Requirement in accordance with said Exhibit B and, without further action of this Council, to provide all necessary and appropriate information to the Sacramento County Auditor in proper form, and in proper time, necessary to effect the correct and timely billing and collection of the special tax on the secured property tax roll of the County; provided that, as provided in said Resolution No. 2002-446 Establishing the District and Section 53340 of the California Government Code, this Council has reserved the right to utilize any method of collecting the special tax which it shall, from time to time, determine to be in the best interests of the City, including but not limited to, direct billing by the City to the property owners and supplemental billing.

each year, as may be necessary to achieve a correct match of the special tax levy with the assessor's parcel numbers finally utilized by the County in sending out property tax bills.

The City agrees that, in the event the special tax is collected on the secured tax roll of the County, the County may deduct its reasonable and agreed charges for collecting the special tax from the amounts collected, prior to remitting the special tax collections to the City.

Any taxpayer may contest the levy of the special tax by filing a written notice of appeal, setting forth with specificity the grounds for appeal, with the City Manager pursuant to Section 7 of the Rate and Method of Apportionment of the Special Tax. Any such notice of appeal must be filed within thirty (30) calendar days following the formation of the District, or annexation of the property that is the subject of the appeal to the District; and failure to do so within the time period specified herein constitutes a bar to any such appeal. Grounds for appeal are limited to the following: (i) clerical errors in assigning an amount of tax to a parcel and (ii) an error in defining the use of a parcel or its classification. No other appeals will be allowed. The City Manager, or designee, shall promptly review the appeal, and if necessary, meet with the appellant. If the findings of the City Manager, or designee, verify that the special tax should be modified or changed, a recommendation to that effect shall be made to the Council, and as appropriate, the special tax levy shall be corrected and, if applicable in such case, a credit for next year's special tax levy shall be granted. If the City Manager, or designee, denies the appeal, the taxpayer may file an appeal of that determination with the Council within fourteen (14) calendar days of the mailing of notification of the City Manager's, or designee's, decision; and failure to do so within the time period specified herein constitutes a bar to any such appeal. The appeal must be in writing and fully explain the grounds of appeal. The Council may hear the appeal, or refer it to a hearing officer, pursuant to Chapter 1.24 of the Sacramento City Code. The hearing on the appeal shall be conducted not more than thirty (30) calendar days following the filing of the appeal of the decision of the City Manager, or designee. The failure of the Council or the appointed hearing officer to timely hear the appeal, or render a decision within thirty (30) calendar days following the conclusion of the hearing thereon, shall constitute a denial of the appeal. The determination of the Council or hearing officer on the appeal shall be final for all purposes.

The filing of written notice contesting the levy of the special tax or an appeal shall not relieve the taxpayer of the obligation to pay the special tax when due.

If for any cause any portion of this ordinance is found to be invalid, or if the special tax is found inapplicable to any particular parcel by a court of competent jurisdiction, the balance of this ordinance and the application of the special tax to the remaining parcels shall not be affected.

This ordinance shall take effect and be in force immediately as a tax measure.

Therefore, the CFD is being proposed to fund approximately 75 percent of the cost of maintaining neighborhood parks serving new development. The remaining cost is assumed to be covered by the existing citywide Lighting and Landscaping District or other funding sources to be determined.

Of the 5.0 park acre standard per 1,000 population, 2.5 acres are to be designated as neighborhood and the remaining 2.5 acres are to be designated as community. The CFD will fund a portion of the maintenance costs for neighborhood parks, but no similar funding source has been identified for community parks at this time.

PARK MAINTENANCE COSTS AND COST ALLOCATION

Based on a survey of park maintenance costs funded through CFDs in jurisdictions within the Sacramento region, the cost to maintain a neighborhood park acre ranged from \$7,000 to \$9,500. In the City of Sacramento the cost to maintain a park was \$7,500 per acre in 1984 (excluding water and electric costs), which would be approximately \$12,000 in 2002 dollars. However, actual expenditures in 2000 averaged \$4,800 per acre for park maintenance in the City (excluding water and electric costs).

Expenditures have decreased in large part because the City of Sacramento is expending approximately the same amount of funding over a larger pool of parks (since 1984, park acreage increased by 311 acres but the number of full time employee equivalents has remained static over the same time period.) As a result, the City has had to reduce park maintenance operations so that only core maintenance tasks are performed. Core responsibilities include mowing, irrigation, "policing", and waste pick-up and removal. Policing includes observing the park for safety hazards, litter, vandalism, and taking appropriate action.

Some cost savings have been achieved over the years and this does account for some of the reduction in the average maintenance costs between 1984 and 2001. However, it is estimated that the average cost to maintain parks is closer to \$8,000 per acre at a reasonable land comparison, rather than the budgeted \$4,800 per acre actually, particularly when water and electricity costs are factored in as well as maintenance of bikeways and open space areas. Therefore, the cost estimate used for estimating costs relative to CFD 2002-02 was \$8,000 per acre.

Of the \$8,000 per acre, 75 percent, or \$6,000, will be funded by special tax revenues. The remaining 25 percent in maintenance costs will in part be funded through the citywide Lighting and Landscaping Assessment District (which contributes approximately 17 percent to the park's maintenance budget citywide) and other sources of funding, yet to be identified.

II. ANNUAL MAINTENANCE COSTS AND MAXIMUM ANNUAL SPECIAL TAX

The CFD is being formed to fund park maintenance for neighborhood parks. The special tax will be levied on new residential development as development projects annex into the District. Only new residential development will be included in the CFD.

Over the next 14 years, the City is projected to add an additional 68,800 people as shown in **Figure 1** below. Based on a City standard of 5 acres per 1,000 population for neighborhood and community parks, this would require development of 344 additional park acres. Of this standard, 2.5 acres are allocated to neighborhood parks. Therefore, there are an estimated 172 neighborhood park acres that will be added by 2015. However, City staff currently estimates that all of this park acreage will be developed by 2006, rather than 2015.

[1] For the years 2000 and 2001, population for each individual planning area is projected as a pro rata amount. These projections are based on 1998 plan area population compared to 1998 total population. Total population for the year 2000 is based on actual 2000 Census data. All other population data is projected.

Other than an existing Lighting and Landscaping District, which covers only a small portion of park maintenance costs, there are no City funds earmarked to fund maintenance for the additional park acres.

I. INTRODUCTION

BACKGROUND

Over the next 14 years, the City will add an estimated 344 park acres based on projected population growth and a City standard of 5 park acres per 1,000 population for neighborhood and community parks. Of this standard, 2.5 acres are allocated to neighborhood parks. Therefore, there are an estimated 172 neighborhood park acres that will be added by 2015. City Staff currently estimates that all of this park acreage will be developed by 2006.

Other than an existing Citywide Lighting & Landscaping District, which covers approximately 17 percent of total citywide park maintenance costs, there are no City funds available to fund maintenance for the additional park acres.

On June 25, 2002, the City of Sacramento approved formation of a Community Facilities District that will fund, in part, the maintenance of neighborhood park acres. Only new development within the City of Sacramento will participate in the Community Facilities District.

The District was initially formed with the Elder Creek development project in the south area on June 25, 2002. Annexation #1 added approximately 3,531 single family residences and 4,665 multi-family residences to the CFD. These residential units are spread over various development projects within the City. Annexation #2 will add approximately 267 single family units spread among the following development projects:

- Parcel maps on Azuza Street, Rush River Drive, and Main Avenue
- Subdivision Maps of Del Paso Nuevo Unit #3, Laguna Vega South, Laguna Vista, Morell Estates, and Bellview Estates

Map 1 in Exhibit C shows the proposed and existing boundaries of Neighborhood Park Maintenance CFD No. 2002-02 (the "CFD").

As new residential development continues to occur within City, these projects will also be required to annex into the CFD. Only residential land uses will be included in the CFD.

PURPOSE OF THE ANALYSIS

The purpose of this report is to present a discussion of the City of Sacramento CFD No. 2002-2 that will be used to fund the maintenance of neighborhood parks that will be needed to serve new development within the City.

This report serves as the Hearing Report required by the Mello-Roos Act. It discusses the public services and facilities to be funded, the structure of the CFD, and the Maximum Annual Special Taxes.

ORGANIZATION OF THE REPORT

Chapter II describes the annual maintenance costs and determination of the maximum annual special tax. **Chapter III** describes the structure of the proposed CFD and the Rate and Method of Apportionment of Special Tax ("Special Tax Formula").

Three exhibits are attached to this report. **Exhibit A** is the Rate and Method of Apportionment (the "Tax Formula"). **Exhibit B** is the list of authorized services to be funded by the CFD. **Exhibit C** provides the boundary map for CFD 2002-02.

7. Appeals and Interpretation Procedure

Any taxpayer may contest the levy of the Special Tax by filing a written notice of appeal, setting forth with specificity the grounds for appeal, with the City Manager. Any such notice must be filed within thirty (30) days following the formation of the CFD, or annexation of the property that is the subject of the appeal to the CFD; and failure to do so within the time period specified herein constitutes a bar to any such appeal. Grounds for appeal are limited to the following: (i) clerical errors in assigning an amount of tax to a parcel and (ii) an error in defining the use of a parcel or its classification. The City Manager, or designee, shall promptly review the appeal, and if necessary, meet with the appellant.

If the findings of the City Manager verify that the Special Tax should be modified or changed, a recommendation to that effect shall be made to the Council, and as appropriate, the Special Tax levy shall be corrected and, if applicable in such case, a credit for next year's Special Tax levy shall be granted. If the City Manager denies the appeal, the taxpayer may file an appeal of that determination with the Council within fourteen (14) days of the mailing of notification of the City Manager's decision; and failure to do so within the time period specified herein constitutes a bar to such an appeal. The Council may hear the appeal, or refer it to a hearing officer pursuant to Chapter 1.24 of the Sacramento City Code. The hearing on the appeal shall be conducted not more than thirty (30) days following the filing of the appeal of the City Manager's determination. The failure of the Council or the appointed hearing officer to timely hear the appeal, or to render a decision within thirty (30) days following the conclusion of the hearing thereon, shall constitute a denial of the appeal. The determination of the Council or hearing officer on the appeal shall be final for all purposes. The filing of a written notice contesting the levy of the Special Tax or an appeal shall not relieve the taxpayer of the obligation to pay the Special Tax when due.

7. Appeals and Interpretation Procedure

Any taxpayer may contest the levy of the Special Tax by filing a written notice of appeal, setting forth with specificity the grounds for appeal, with the City Manager. Any such notice must be filed within thirty (30) days following the formation of the CFD, or annexation of the property that is the subject of the appeal to the CFD; and failure to do so within the time period specified herein constitutes a bar to any such appeal. Grounds for appeal are limited to the following: (i) clerical errors in assigning an amount of tax to a parcel and (ii) an error in defining the use of a parcel or its classification. The City Manager, or designee, shall promptly review the appeal, and if necessary, meet with the appellant.

If the findings of the City Manager verify that the Special Tax should be modified or changed, a recommendation to that effect shall be made to the Council, and as appropriate, the Special Tax levy shall be corrected and, if applicable in such case, a credit for next year's Special Tax levy shall be granted. If the City Manager denies the appeal, the taxpayer may file an appeal of that determination with the Council within fourteen (14) days of the mailing of notification of the City Manager's decision; and failure to do so within the time period specified herein constitutes a bar to such an appeal. The Council may hear the appeal, or refer it to a hearing officer pursuant to Chapter 1.24 of the Sacramento City Code. The hearing on the appeal shall be conducted not more than thirty (30) days following the filing of the appeal of the City Manager's determination. The failure of the Council or the appointed hearing officer to timely hear the appeal, or to render a decision within thirty (30) days following the conclusion of the hearing thereon, shall constitute a denial of the appeal. The determination of the Council or hearing officer on the appeal shall be final for all purposes. The filing of a written notice contesting the levy of the Special Tax or an appeal shall not relieve the taxpayer of the obligation to pay the Special Tax when due.

Interpretations may be made by Resolution of the Council for purposes of clarifying any vagueness or ambiguity as it relates to any of the terms or provisions of this Rate and Method of Apportionment.

The City then shall assign a Maximum Annual Special Tax Rate to Developed Parcels using the Definitions in **Section 2** and **Attachment 1** (applying the Tax Escalation Factor as permitted) and calculate the Maximum Annual Special Tax following the steps in **Section 4.B(1)**.

- 3) **Conversion of a Tax-Exempt Parcel to a Taxable Parcel:** If a Public Parcel is not needed for public use and is converted to private residential use, it shall become subject to the Special Tax. A Maximum Annual Special Tax Rate will be assigned using the Definitions in **Section 2** and **Attachment 1** (applying the Tax Escalation Factor as permitted) and calculate the Maximum Annual Special Tax following the steps in **Section 4.B(1)**.
- 4) **Taxable Parcels Acquired by a Public Agency:** A Taxable Parcel that is acquired by a public agency after the CFD is formed will be re-classified as Tax-Exempt provided it is determined by the City in the exercise of its sole discretion, that it is no longer used for residential purposes.

5. Calculating Annual Special Taxes

The City shall assign the Maximum Annual Special Tax per Taxable Parcel based on **Attachment 1** as adjusted annually by the Tax Escalation Factor.

Grounds for appeal are limited to the following: (i) clerical errors in assigning an amount of tax to a parcel and (ii) an error in defining the use of a parcel or its classification. The City Manager, or designee, shall promptly review the appeal, and if necessary, meet with the appellant.

If the findings of the City Manager verify that the Special Tax should be modified or changed, a recommendation to that effect shall be made to the Council, and as appropriate, the Special Tax levy shall be corrected and, if applicable in such case, a credit for next year's Special Tax levy shall be granted. If the City Manager denies the appeal, the taxpayer may file an appeal of that determination with the Council within fourteen (14) days of the mailing of notification of the City Manager's decision; and failure to do so within the time period specified herein constitutes a bar to such an appeal. Citywide Neighborhood Park Maintenance CFD – Annexation #2
October 7, 2002

ESBD CONSIDERATIONS:

City Council adoption of the attached resolution is not affected by City policy related to ESBD.

Respectfully submitted,

Gary Alm, Manager
Development Services

RECOMMENDATION APPROVED:

ROBERT P. THOMAS
City Manager

Approved:

Michael Kashiwagi
Director of Public Works

The maximum annual special tax rates to be levied on new residential properties are as listed below:

Tax Category	Special Tax Rate
<u>Developed Parcels</u>	<i><u>per Residential Unit</u></i>
Single Family Residential Parcels	\$48.00
Condominium/Townhouse Parcels	\$48.00
Duplex/Tri-plex Residential Parcels	\$48.00
Multi-Family Residential Parcels	\$28.00
Mixed Use Parcels	\$28.00
Mobile Home Park Parcels	\$28.00

The special tax is subject to an annual escalation factor based on the Consumer Price Index, not to exceed 4%.

ENVIRONMENTAL CONSIDERATIONS:

City Council's action in approving this resolution is solely for the purpose of initiating an annexation to the Community Facilities District, and is itself therefore, not a project for the purposes of the California Environmental Quality Act.

POLICY CONSIDERATIONS:

The procedures under which this CFD annexation is being initiated are set forth in Title 5 of the Government Code, Sections 53311-53317.5, entitled "The Mello-Roos Community Facilities Act of 1982." Annexation into Parks Maintenance District is consistent with the City's Strategic Plan in preserving and enhancing the City's neighborhoods and quality of life.

COMMITTEE/COMMISSION ACTION:

None.

BACKGROUND INFORMATION:

On June 25, 2002, City Council approved formation of the Neighborhood Park Maintenance CFD. This CFD provides a funding mechanism to help the Parks Department maintain neighborhood parks. This annexation, as well as future annexations, will consist of new residential development throughout the city. The development projects for this annexation are listed as follows:

Parcel maps on Azuza Street, Rush River Drive and Main Avenue. Subdivision maps of Del Paso Nuevo Unit #3, Laguna Vega South, Laguna Vista, Morell Estates and Bellview Estates.

FINANCIAL CONSIDERATIONS:

The Neighborhood Park Maintenance CFD has been structured to reduce reliance on the general fund for neighborhood park maintenance and to preserve the level of maintenance in the parks system.

It is projected that revenues from this CFD will provide approximately 65-70% of the cost associated with maintaining new neighborhood parks for those areas that annex to the District. The balance of costs will be borne by the general fund and the Citywide Landscape and Lighting District.

Existing parks and all community parks, regional parks, open space, trails and buffer areas are not covered by this CFD.
