Re: Permit fee refund
Attn: John Bond

Dear Mr Bond,

The Paramount Pool Company is requesting a permit and plan check refund on the Carter job, permit number 9902200, because of the location of a 8" asbestos /concrete water main that goes through the backyard. We became aware of this situation after the signing of a contract, plan check approval and the issuing of the permit by the building department. After talking with Sacramento City Water Works, who recommended that we don't attempt to build this pool adjacent to this water line, The Paramount Pool Company and the homeowners have decided not to pursue the building of this swimming pool.

Sincerely,

Paul D'Amato
President
