Members of the City Council

**Title: Power Inn Area Property and Business Improvement District – Annual Proceedings FY2008/09**

**Location/Council District:** The Power Inn Area Property and Business Improvement District (PBID) is located in the Power Inn Industrial Corridor south of Highway 50 in Council District 6, and is comprised of approximately 671 individual parcels and 400 property owners (Exhibit A, page 7).

**Recommendation:** Adopt a **Resolution** adopting the Power Inn Area PBID annual budget, and levying assessment.

**Contact:** Sini Makasini, Administrative Analyst, (916) 808-7967; Mark Griffin, Fiscal Manager, (916) 808-8788

**Presenters:** Not Applicable

**Department:** Planning Department

**Division:** Public Improvement Financing

**Organization No:** 4915

### **Description/Analysis**

**Issue:** The existing district is required by the Property and Business Improvement District Area Law of 1994 to present an annual budget for City Council approval. Approval will authorize the City to collect assessments in the amount sufficient to provide funding for economic development, security services, maintenance services, and image enhancement within the Power Inn industrial corridor for FY2008/09.

**Policy Considerations:** The annual proceedings for this district are being processed as set forth in section 36600 to 36671 of the California Streets and Highways Code, entitled "Property and Business Improvement District Law of 1994." This process is consistent with the City's Strategic Plan 3 Year Goal to "achieve sustainability and enhance livability" and to "expand economic development throughout the City."

**Environmental Considerations:** Under the California Environmental Quality Act (CEQA) guidelines, annual proceedings of a Special District do not constitute a project, and are therefore exempt from review.

**Committee/Commission Action:** None

**Rationale for Recommendation:** The actions in the recommended Resolutions are required by the California Streets and Highways Code, which is codified as part 7 (beginning with section 36600) of division 18.

**Financial Considerations:** Financing will be provided by levy of assessments upon real property that benefits from improvements and activities. The PBID does not plan to issue bonds.

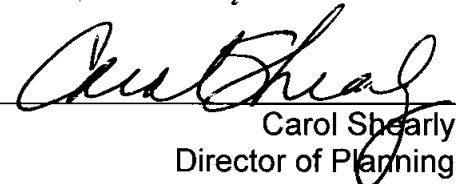

The PBID assessment budget for FY 2008/09 is \$253,575, plus the surplus amount of \$1,277 (Details on Exhibit “B”, page 8). The Power Inn Area PBID will receive approximately \$251,777. The remaining \$3,075 will be retained by the City to cover City administration cost.
