IDEAS AND QUESTIONS, MEMBERS OF THE BOARD

Ms. Masuoka informed the Board that the City was part of a public agency coalition that was successful in having the PERS Board adopt a

fiscal relief proposal. In general the proposal allowed public agencies with an employer rate increase for fiscal year 1993/94 choose to retain the lower 1992/93 rate. Also, during 1993/94 the coalition, new actuarial consultant and PERS staff will address intermediate and long-term funding issues, such as rate stabilization.

Even though the employer rate to SCERS continues to decline, Ms. Masuoka requested that the system's actuary, in the next actuarial report, discuss rate stabilization as well as the necessity of having a mid-year valuation.

There being no further business the meeting was adjourned at 2:10 p.m. to meet again at the call of the chair.
