CONSENT  
February 7, 2006

Honorable Mayor and  
Members of the City Council

**Subject:** City Signatory Authority for City Property Located Within the Proposed Power Inn Area Property and Business Improvement District (PBID)

**Location/Council District:**

The proposed Power Inn Area PBID is located in Council District 6 (Attachment "A", Page 4).

**Recommendation:**

This report recommends that City Council approve the attached resolution designating the Interim City Manager as the signatory authority for all City-owned properties to be included in the proposed Power Inn Area PBID.

**Contact:** Sini Makasini, Administrative Analyst, (916) 808-7967; Ron Wicky, Program Specialist, (916) 808-5628

**Presenters:** Sini Makasini, Administrative Analyst

**Department:** Development Services

**Division:** Public Improvement Financing

**Organization No:** 4815

**Summary:**

The City currently owns 30 properties within the proposed Power Inn Area PBID. The attached resolution provides the Interim City Manager to sign a property owner's petition and one or more assessment ballots with regard to all City-owned properties that would be participating in the PBID.

**Committee/Commission Action:** None

**Background Information:**

A PBID is a benefit assessment district formed by property owners to fund economic development support services such as identity formulation, market research, and

economic development programs within the established boundaries. These efforts are undertaken in coordination with the economic development programs provided by local government.

Districts may also undertake physical improvements within the district boundaries such as entry features, benches, or lighting. These services are concentrated within a district geographic area and are paid for by means of a special assessment on benefited properties.

Districts are proven to work by providing services that improve the overall viability of commercial districts, resulting in higher property values and sales volume. The proposed Power Inn Area PBID will be formed pursuant to California's "Property and Business Improvement District Law of 1994".

The proposed Power Inn Area PBID will deliver services to properties within the Power Inn Industrial Corridor. The attached resolution authorizes the Interim City Manager to act with regard to all City-owned properties located within the proposed PBID.

**Financial Considerations:**

If this PBID is formed, the City of Sacramento will be participating as a property owner in the district. City-owned property will have a total annual assessment of approximately \$43,000. City funds will come from a non-departmental organization.

**Environmental Considerations:**

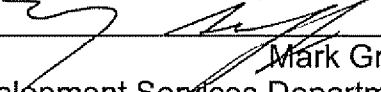

Under California Environmental Quality Act guidelines, authorizing Interim City Manager approval for proposed business improvement districts does not constitute a project and is therefore exempt from review.

**Policy Considerations:**

This proposed action authorizes the Interim City Manager to sign with regard to all City properties that will participate in the proposed Power Inn Area PBID. This action is consistent with the City's Strategic Plan 3 Year Goal to "expand economic development throughout the City".

**Emerging Small Business Development (ESBD):**

None. No goods or services are being purchased.

C. The City Council has determined that the public interest will be served by having these city properties participate in the proposed Power Inn Area PBID.

**BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:**

The Interim City Manager is authorized to sign the following documents on behalf of City of Sacramento:

1. A property owner's petition authorizing the City Council to initiate proceedings to form the Power Inn Area PBID.
2. One or more assessment ballots indicating the City's support for the initial assessment levied by the Power Inn Area PBID, but only if the total amount to be levied annually on the City's properties within the Power Inn Area PBID does not exceed \$43,000.
