FOR COMMISSION MEETING OF: December 3, 2009

SUMMARY:

Attached is the list of proposed 2010 meeting dates and locations for the Parks and Recreation Commission. Unless recommended otherwise, we will adhere to the schedule of holding all fall/winter meeting months at Historic City Hall and spring/summer meetings months at various community sites. The schedule remains flexible if there is a need to move meeting locations due to the subject matter criteria which may require a larger capacity facility. It is requested that the Parks and Recreation Commission support staff's recommendation.

Respectfully submitted,
