

RESOLUTION NO. 2019-0290

Adopted by the Sacramento City Council

July 23, 2019

Signature Authorization to Certify Right-of-Way for Federal-Aid Transportation Projects

BACKGROUND

- A. The City of Sacramento last acted on authorizing Department of Public Works staff to sign federal right-of-way certifications for projects funded with federal transportation funds in 2001.
- B. Since 2001, City staff, job titles, and responsibilities have changed, and staff recommends updating signature authority that designates the Director of Public Works and the Engineering Manager as the City Council approved signatories for federal right-of-way certifications.
- C. The City of Sacramento is required to follow federal procedures for acquisition of right-of-way when an acquisition is required for a federally funded project.
- D. Right-of-way certification documents provide assurances that federal procedures have been followed in the acquisition process.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. Resolution 2001-0527 is rescinded.

Section 2. The Director of Public Works and the Engineering Manager are hereby authorized to execute, on behalf of the City of Sacramento, a municipal corporation, all right-of-way certifications required by the State of California, Department of Transportation and the federal government pertaining to certifying that rights-of-way have been acquired according to the regulations for Federal-Aid projects.
