RECEIVED
NOV 10 1982

Honorable Members in Session:

Subject: Report on Bids for the S.N.R.R. Bikeway
Ford Road to "M" Street

SUMMARY:

The subject project, as part of the City's Capital Improvement Program, has been advertised for bids. Bids have been received and the City Engineer recommends that this report be filed pending recommendation of bid award at a later date.

BACKGROUND:

On October 19, 1982 the City Council approved plans and specifications for the S.N.R.R. Bikeway - Ford Road to "M" Street and bids were received and opened by the City Clerk in the Council Chambers on November 9, 1982. The bids received are as follows:

Dig-It Eng. and Const. Co., Inc.	\$ 499,635.00
Albert C. Powell	509,228.00
Teichert Construction	522,150.00
Answell Construction, Inc.	526,180.00
Ray N. Bertelsen Co., Inc.	550,350.00
Verco Construction Co.	559,989.85
Forest Land Grading and Paving	579,250.00
Granite Construction Co.	579,341.75

The engineer's estimate for this project was \$486,160.00. Since the low bid is 2.77 above the engineer's estimate, an additional analysis of the project and the bids is necessary before a valid recommendation can be made.

RECOMMENDATION:

The City Engineer recommends that this report be filed and recommendation of bid award be made at a later date.

Respectfully submitted, **APPROVED**
BY THE CITY COUNCIL
